POLICY ISSUES FOR DETERMINATION BY DIRECTORATE

The attached list covers items which will be the subject of discussion, at future meetings of the Policy Directorate, together with the names of the Directors responsible for bringing the various matters before the Directorate.

This list is not intended to be complete in itself nor are the items listed in any order of priority.

Should you wish to comment on any of these policy matters will you please address your correspondence to the appropriate Director, or alternatively to the Manager, Policy Directorate.

Any other items which you consider should be included on this list can be 'submitted' in writing to the Manager, Policy Directorate accompanied by a short explanation and/or comments. These additional items will then be presented at a convenient meeting of the Policy Directorate for decision as to inclusion on the list.

Discussion with members, of your staff at appropriate meetings will probably result in further suggestions which you should encourage your officers to develop and forward to the Policy Directorate in the manner indicated above.
