I would like to thank the staff of the Department of Natural Resources and Mines Queensland, DPIE Tasmania, Victorian EPA, New South Wales EPA, ACT, SA Water and the SA EPA, CALM WA, for collecting and making this material available for this study and for habitat photographs.

Thanks also to the CRC Freshwater Ecology and Murray-Darling Freshwater Research Centre for supporting the project thereby stimulating the active research into the aquatic fauna and flora, and to La Trobe University for support and facilities.

A special thanks to John Hawking for photographs and his continual encouragement. I value his comments and enthusiasm. Other photographs used within the study were taken by Karlie Hawking, John Hawking and James Wyatt.
