E. astringens

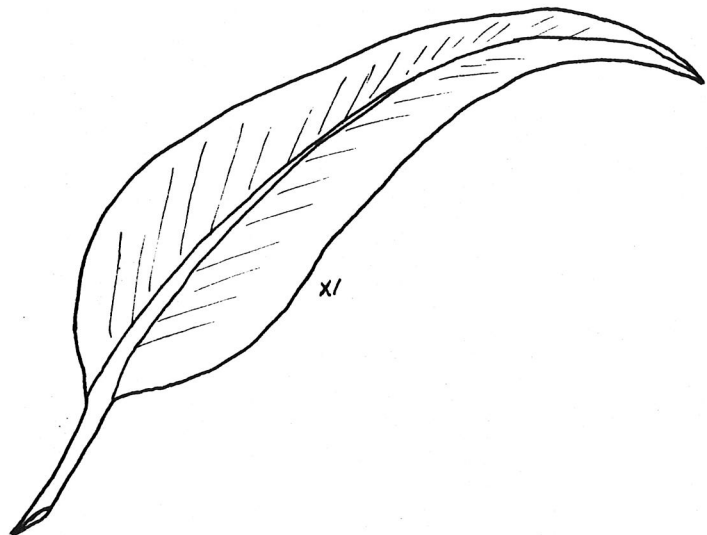

E. brachycorjs

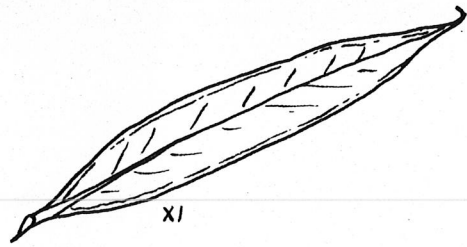

E. burracoppinensis

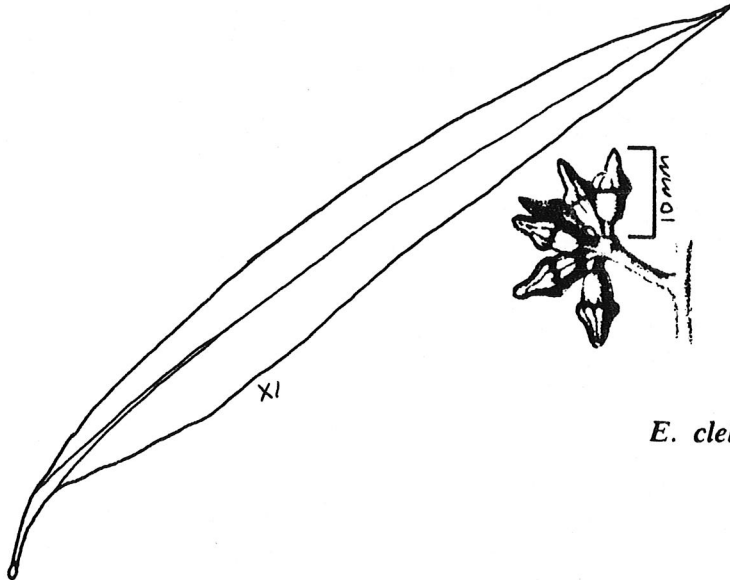

E. caesia
(small form & large)

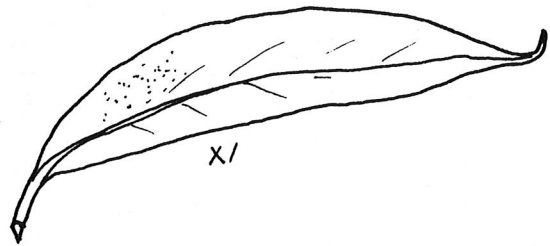

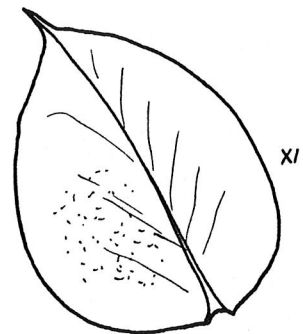

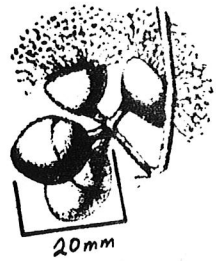

E. calycogona

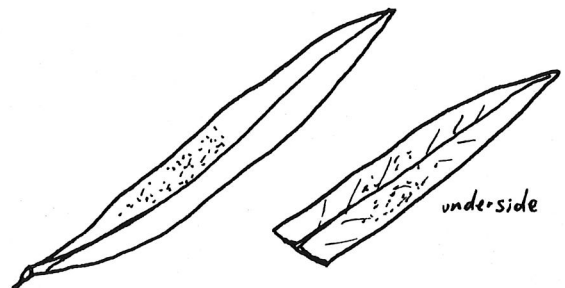

E. clelandii

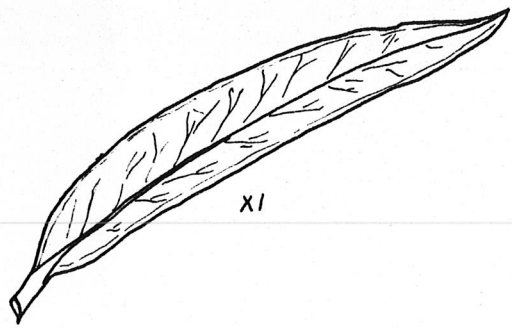

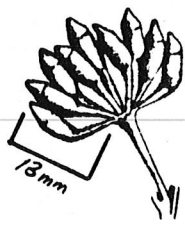

E. corrugata

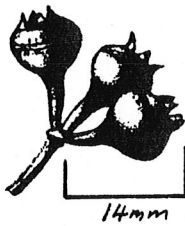

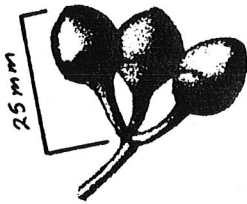

E. crucis

E. cylindriflora

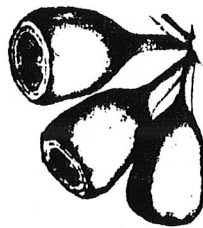

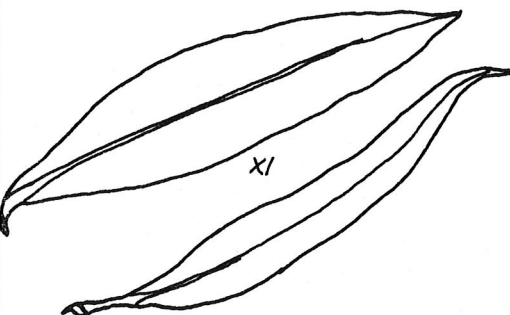

E. cylindrocarpa

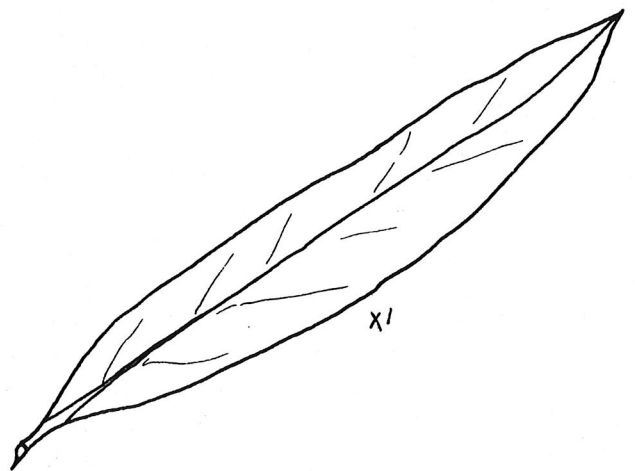

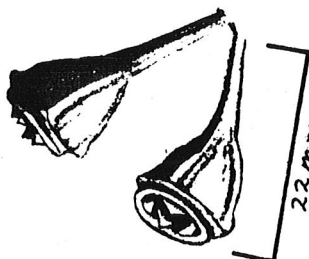

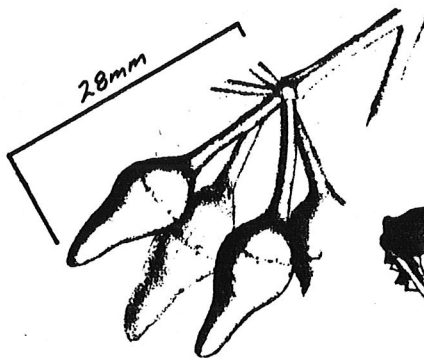

E. drummondii

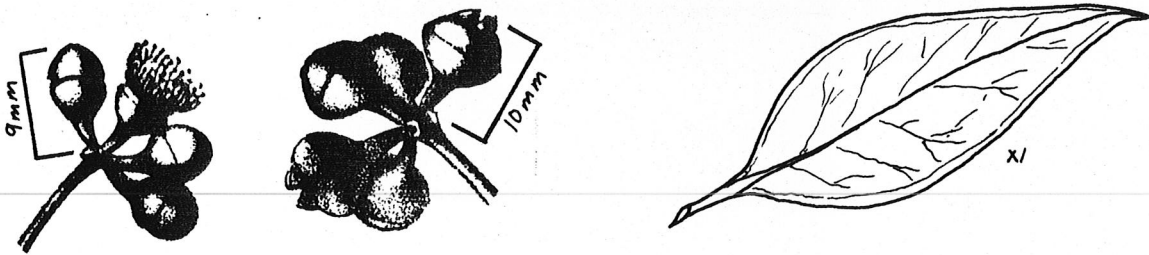

E. eremophila var. *eremophila*

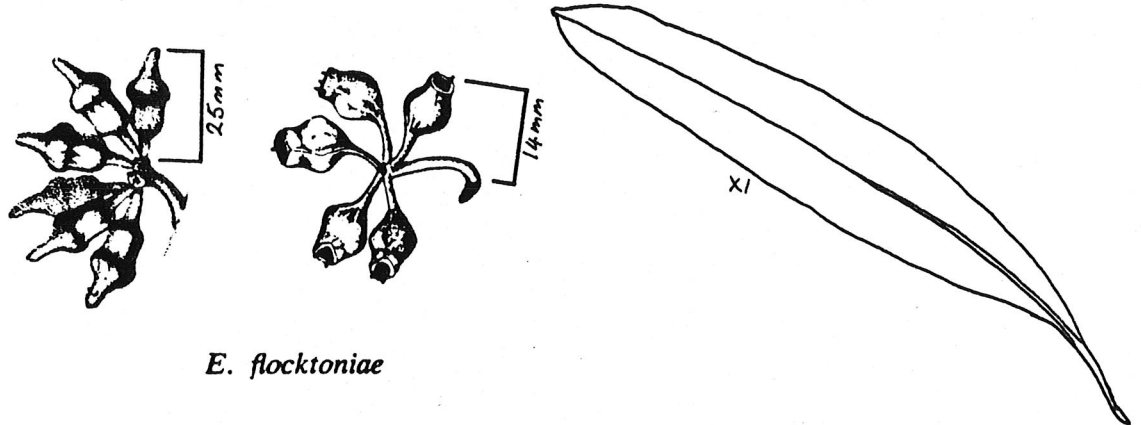

E. eremophila var. *grandiflora*

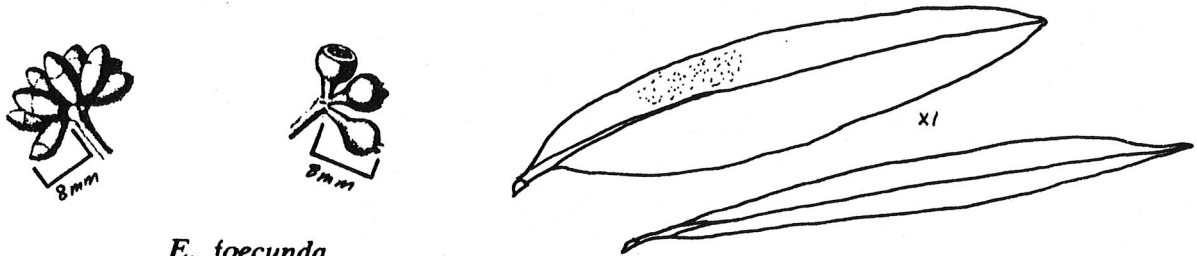

E. erythronema var. *erythronema*

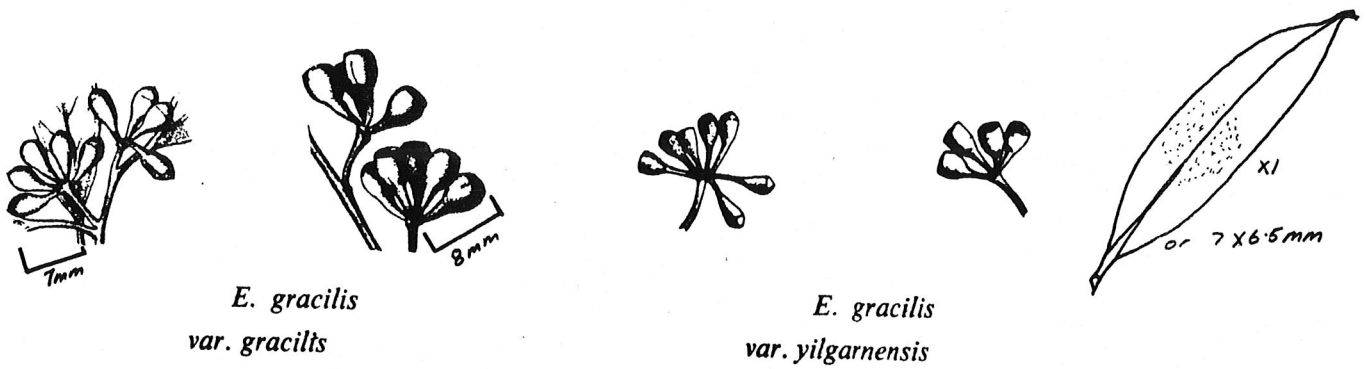

E. ewartiana

E. flocktoniae

E. foecunda

E. gracilis
var. *gracilis*

E. gracilis
var. *yilgarnensis*

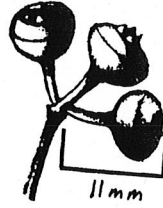

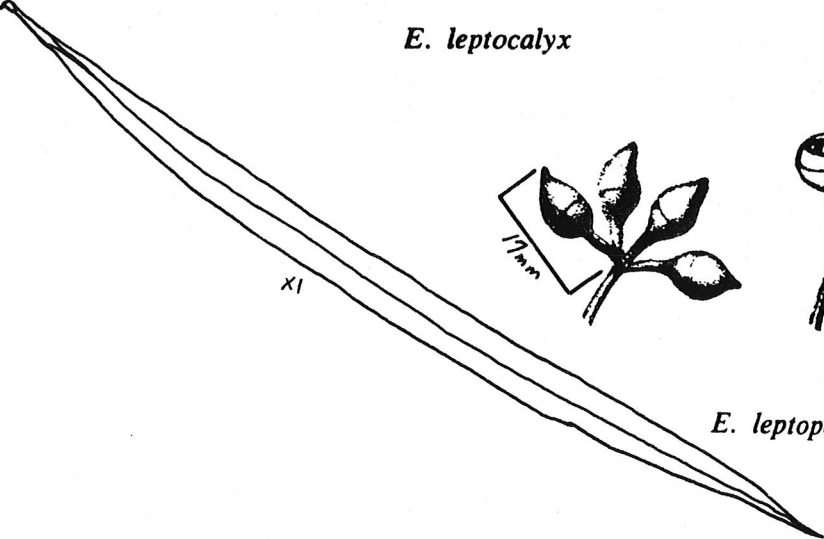

E. griffithsii var. *angustiuscula*

E. griffithsii var. *griffithsii*

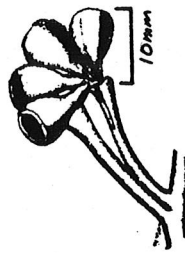

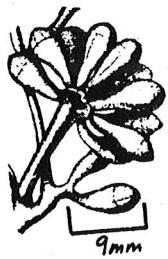

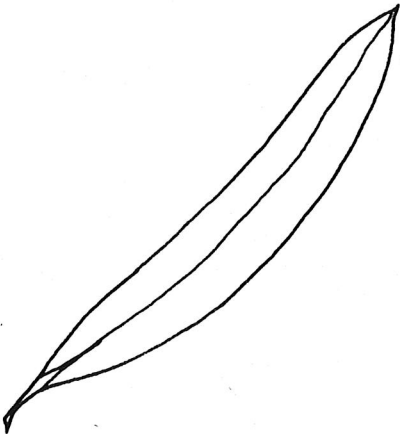

E. leptocalyx

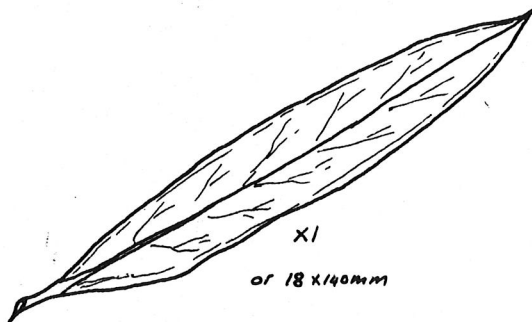

E. leptopoda

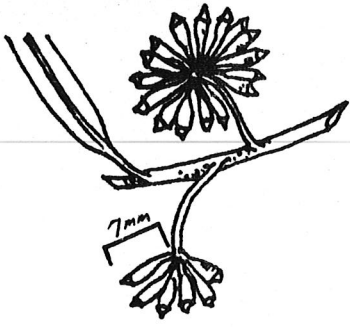

E. longicornis

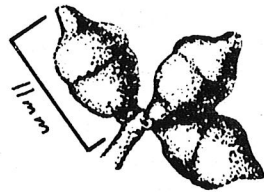

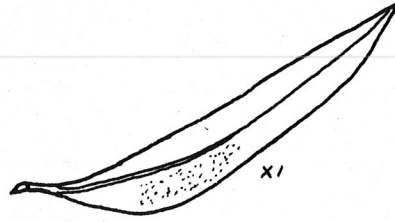

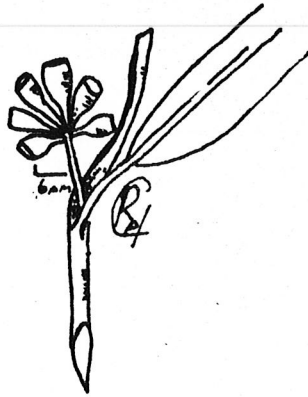

E. loxophleba

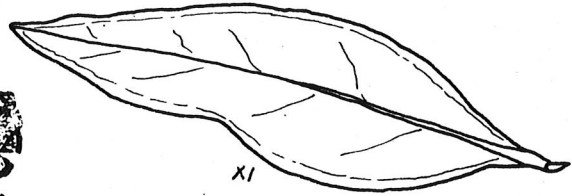

E. melanoxyton

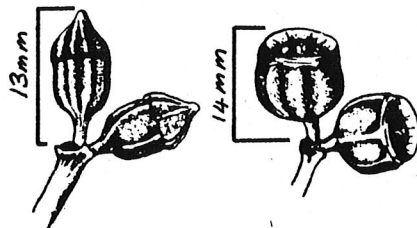

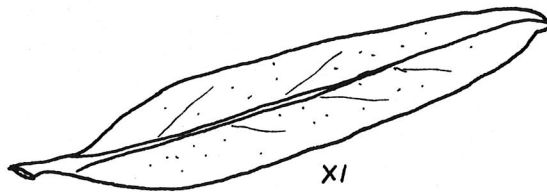

E. myriadena

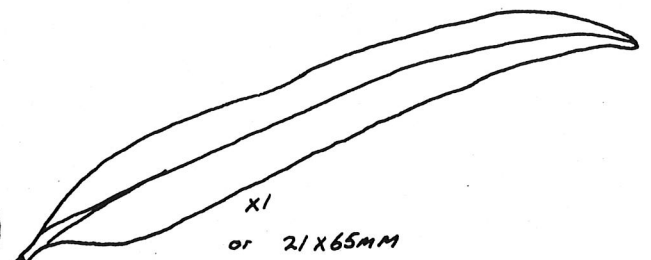

E. oldfieldii

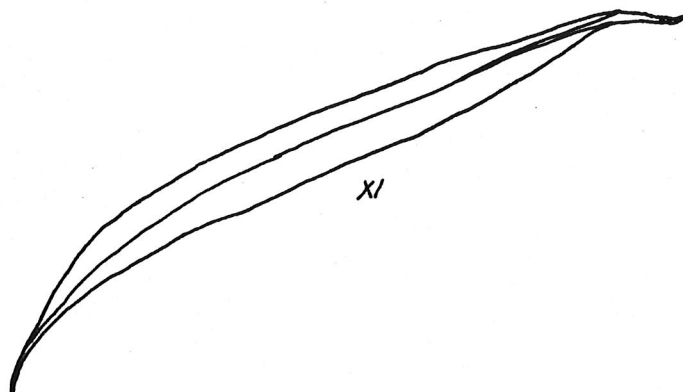

E. pileata

E. platycorys

E. plenissima

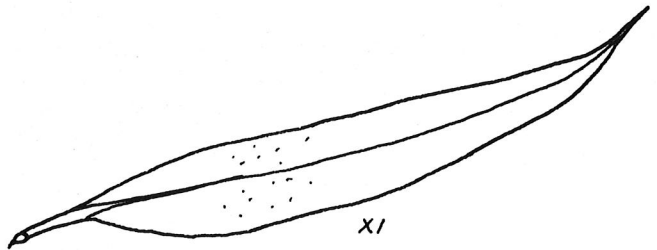

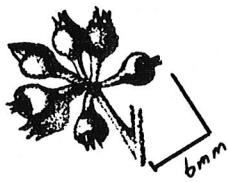

E. redunca

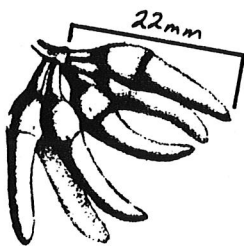

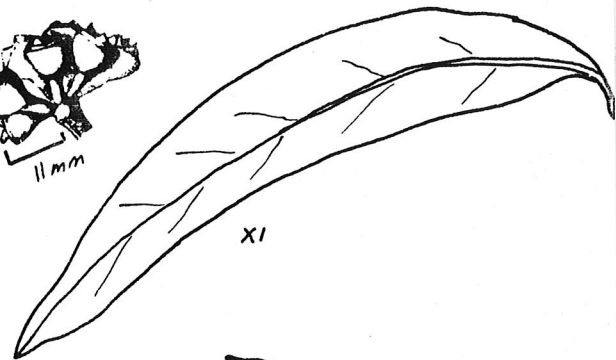

E. rigidula

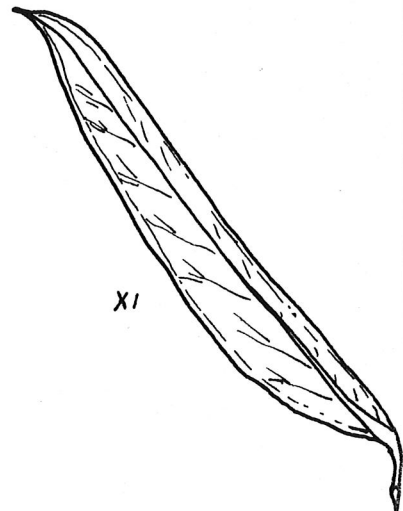

E. salmonophloia

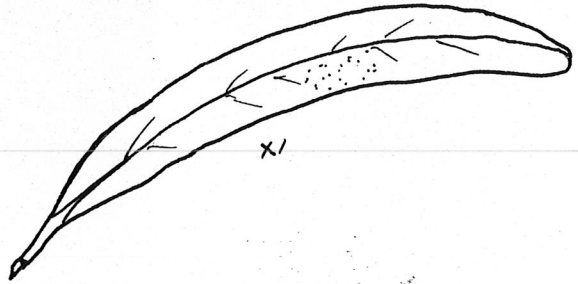

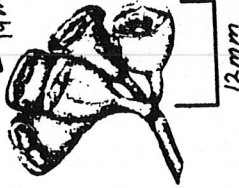

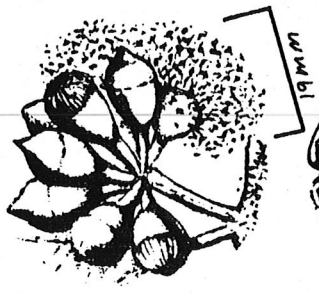

E. salubris

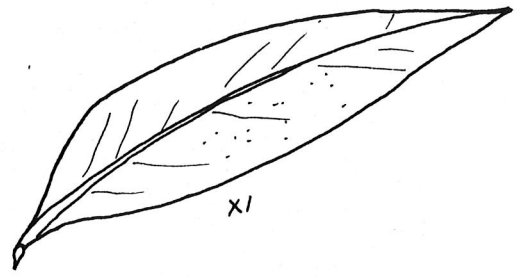

E. sargentii

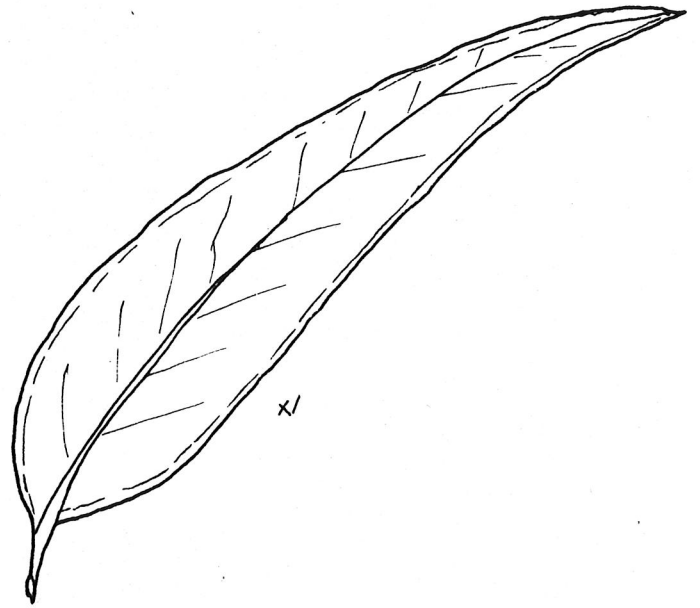

E. sheathiana

E. transcontinentalis

E. wandoo
