

WESTERN AUSTRALIAN
HERBARIUM

THE HERBARIUM INDEX

FOR MOUNTING ROOM

Department of
Parks and Wildlife

The Western Australian Herbarium Vascular Plant Index

The systematic sequence followed at the Herbarium for vascular specimens in both the Research Collection and Reference Herbarium follows the ordinal phylogeny of the 'Angiosperm Phylogeny Group (APCIII 2009)'.

This index lists every current family and genus in the Research Collection

Locations:

Vault 1 = Drummond Vault [Level 1]

Vault 2 = Molloy Vault [Level 1]

Vault 3 = Gardner Vault [Level 2]

Vault 4 = Newbey Vault [Level 2]

Updated 23rd April 2015
