

PUT SAFETY FIRST

Take the time to do things safely

**EVERY
TIME
EVERY
JOB!**

Before you undertake a hazardous task, check the following:

- | | |
|--------------------------|--|
| <input type="checkbox"/> | Do you understand the task? |
| <input type="checkbox"/> | Do you have the appropriate training, skills, experience and supervision to carry out the task safely? |
| <input type="checkbox"/> | Do you have the right tools, equipment and PPE? |
| <input type="checkbox"/> | Have you carried out a pre-start check on the vehicle or equipment? |
| <input type="checkbox"/> | Have you read and signed the SOP or JSA? |
| <input type="checkbox"/> | Have you considered environmental risks? |

If you answered NO to any of the above, do not commence work until you have reviewed the task and spoken with your supervisor.

WE ALWAYS HAVE TIME TO DO IT SAFELY
