Radio-call signs

It has been decided that a common-call sign prefix, ie "Research" should be used across the Division. Prefixes currently used such as "Wildlife", "Manjimup", "Dwellingup" etc are to cease.

A new listing of radio-call signs is attached. Numbers have been allocated on a Research Centre basis with professional staff mentioned first. Blocks of numbers allocated for each centre are as follows:

Numbers	1 to- 9	Admin - RDPG
	10 to-19	Busselton
	20 to 49	Como
	50 to 79	Dwellingup
	80 to 109	Herbarium
	110 to 149	Manjimup
	150 to 199	Woodvale
	200 onwards	contract/temporary staff

Would you please ensure all staff are advised of the new prefix (ie Research) and their new call-signs.

The above arrangements will be effective from 1 July 1989.

Andrew Burbidge

Andrew A Burbidge
Divisional Manager, Research

June 1 1989.
