GREAT GIFT FOR OVERSEAS

Kangaroo Paws and Catspaws

Written by renowned local scientist Stephen D Hopper, this field guide is the definitive work on these world-famous plants from Western Australia. It is superbly illustrated with colour photographs and fine line drawings.

\$24.95

Mountains of Mystery

A natural history of the Stirling Range that covers the climate, history, geology and unique plants and animals of this beautiful area in the south-west of WA. This comprehensive and beautifully illustrated book is equally at home on the coffee table or out in the field.

\$19.95

Mountains of Mystery -The Flora List

This supplement to *Mountains of Mystery* gives a listing of plant species and their distribution within the Stirling Range.

\$4.95

Managing Your Bushland

A practical, easy-to-read guide for people wanting to preserve or expand native bush on their land. With its management advice, features on plants and animals and source list for further help and information, it is an indispensable guide for land managers.

\$19.95

The LANDSCOPE 1994 Calendar

Features 13 stunning colour photographs of WA's national parks and wildlife, and comes complete with a recycled-card envelope for mailing to friends and relatives overseas.

\$14.95

GREAT GIFTS FOR THE FAMILY

Perth Outdoors

This comprehensive guide to almost 300 nature-based recreation spots in and around Perth was an instant best seller and a finalist in the 1993 Sir David Brand Awards. It makes an ideal gift for anyone visiting, or thinking of visiting Perth. A true 'family' book that provides a multitude of things to do and places to go.

\$19.95

Wildflower Country & North-West Bound

Two of our most popular publications in a growing series of nature-based tourist guides. Wildflower Country looks at the spectacular wildflowers and natural attraction from Jurien to Shark Bay and inland to Meekatharra. North-West Bound continues the journey from Shark Bay to Wyndham and gives valuable information about national parks and nature reserves in the favourite tourist regions of the Gascoyne, Pilbara and Kimberley.

\$19.95 each

OLD FAVOURITES

Leaf & Branch

Written by local naturalist Robert Powell and illustrated by Margaret Pieroni and Susan Patrick, *Leaf & Branch* is a detailed look at Perth's trees and tall shrubs, designed to be read at leisure or used in the field as a quick-reference tool.

\$24.95

Wild Places Quiet Places

A comprehensive guide to those unique places in the forests, national parks and reserves in the south-west of WA that offers you a natural alternative for your holidays.

\$14.95

A Guide to the Bibbulmun Track

This step-by-step guide takes you stride-by-stride along the entire 650 km Bibbulmun Track from Kalamunda, in the Darling Range east of Perth, to Walpole, on the State's south coast. The route has been divided into a number of short walks suitable for beginners, that can be linked together as experience grows.

\$14.95

Voices of the Bush

A beautifully illustrated guide to the Central Southern Wheatbelt Heritage Trail that is punctuated with historical references and writings. It is equally suitable for the armchair explorer or intrepid traveller.

\$8.95
