# WEST CAPE HOWE NATIONAL PARK

## management plan

The Department of Conservation and Land Management has commenced preparation of a draft management plan for West Cape Howe National Park. We are currently collecting information and comments on the park, its management and its future.

### WHY A MANAGEMENT PLAN?

Information collected will be carefully considered in the development of draft objectives and management strategies for the park. These will be presented in a draft plan which will be released for public comment for at least two months. After analysis of the comments, a final plan will be prepared to guide managers for up to ten years.

### HOW CAN YOU HELP?

You are invited to give us your comments on West Cape Howe National Park. Some aspects of the park being considered are listed. We would welcome your thoughts on these or any other issues.

### WHO SHOULD YOU CONTACT?

Written comments should be addressed to:

Ian Herford  
Plan Coordinator  
Dept of CALM  
44 Serpentine Road  
ALBANY 6330  
Tel: (098) 417133

### Some Aspects Of West Cape Howe National Park Being Considered
