# PROTECT OUR ENDANGERED FLORA BY OBSERVING THESE SIGNS

If you see these signs it means  
an environmentally significant site is nearby.  
These yellow markers are placed at either  
end of the site and point inward towards it.

If you see these markers, do NOT work  
between them UNTIL you have been advised  
of their significance by your supervisor.

If in doubt  
contact your local CALM Office  
or CALM Como on (08) 9334 0333.
