HAVE YOUR SAY

This submission form has been designed to assist you in providing comment on the indicative management plan. We have included questions on sections of the plan on which we would like your opinion. However, we encourage you to comment on any aspect of the plan. Please include additional sheets if there is insufficient space, or you can write to:

Plan Coordinator
Indicative Management Plan for the Proposed Dampier Archipelago Marine Park and Cape Preston Marine Management Area
Department of Conservation and Land Management
47 Henry Street
Fremantle WA 6160

This form is also available electronically on CALM's website at www.naturebase.net or you can email your comments to dampier@calm.wa.gov.au. If you choose to make your submission using this form, no postage stamp is required.

Important – To maximise the value of your submission you are encouraged to complete the whole form and where you disagree with a particular aspect of the plan please provide reasons for your view, and where relevant suggest an alternative.

The closing date for submissions is 10 May 2005.

Name (required).....

Organisation (if applicable).....

Position (if applicable).....

Number of people represented by this submission

Postal address (required)

.....

.....

Suburb/Town/City

State Postcode

E-mail address (required–must be valid)

.....

Do you want your submission to be treated as confidential?

☐ Y ☐ N

What activities do you undertake, and what interests do you have, in the Dampier Archipelago and Cape Preston area? (Please list with most important first).

.....

.....

.....

.....

Vision statement

The indicative management plan is based on the following vision statement:

To maintain for the future, the ecological values of the area, while allowing for economic growth and recognising social and cultural needs.

Do you share this vision for the future of the proposed reserves?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

Strategic objectives

In general terms the environmental objectives of the proposed reserves are to:

1. Ensure the variety of marine plants and animals is maintained; and
2. Ensure human activity does not upset the balance of nature.

Do you agree with the above strategic environmental objectives for the proposed reserves?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

In general terms the social objectives of the proposed reserves are to:

1. Allow for, and manage in an equitable and sustainable way, a range of compatible recreational and commercial activities; and
2. Promote education, nature appreciation and scientific research.

Do you agree with the above strategic social objectives for the proposed reserves?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Do you agree that marine park is the most appropriate type of marine conservation reserve for the waters surrounding the Dampier Archipelago?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

Do you agree with the proposed boundary of the proposed Dampier Archipelago Marine Park?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Do you agree with the proposed boundary of the proposed Cape Preston Marine Management Area?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

.....

.....

.....

.....

Management strategies

The management strategies for the ecological and social values (Sections 7.1 and 7.2) describe how each value will be managed across the proposed reserves.

Do you agree with the management strategies for the ecological values as outlined in the tables in Section 7.1 of the indicative management plan?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

Do you agree with the management strategies for the social values as outlined in the tables in Section 7.2 of the indicative management plan?

☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

.....

.....

.....

Do you agree with the generic research, monitoring, surveillance and enforcement, education and interpretation, public participation, and direct management intervention strategies as outlined in Sections 8.2 – 8.7 of the indicative management plan?

☐ Y ☐ N

Your reasons: (please be specific)

.....

Zoning
Do you agree/disagree with the following zones? (Please tick the appropriate box and specify your reasons and suggested alternative)

Zone name	Agree (tick)	Disagree (tick)	Your reasons and suggested alternative
<i>Dampier Archipelago Marine Park</i>			
Delambre Island Sanctuary Zone			
North Legendre Island Sanctuary Zone			
South Legendre Island Sanctuary Zone			
Dolphin Island Sanctuary Zone			
Searipple Passage Sanctuary Zone			
Watering Cove Sanctuary Zone			
Enderby Island Sanctuary Zone			
Conzinc Bay Recreation Zone			
Rosemary Island Recreation Zone			
Nickol Bay Special Purpose (Mangrove Protection) Zone			
Cleaverville Special Purpose (Intertidal Reef Protection) Zone			
Nickol Bay Reef Flats Special Purpose (Intertidal Reef Protection) Zone			
Goodwyn Island Special Purpose (Benthic Protection) Zone			
Rosemary Island Special Purpose (Benthic Protection) Zone			
West Lewis Island Special Purpose (Benthic Protection) Zone			
West Enderby Island Special Purpose (Benthic Protection) Zone			
Special Purpose (Multiple Use) Zone			
General use zone			
Various special purpose (aquaculture or pearling) zones			
<i>Cape Preston Marine Management Area</i>			
South Eaglehawk Island Conservation (Flora/Fauna Protection) Area			
South West Regnard Island Conservation (Flora/Fauna Protection) Area			
Maitland Conservation (Mangrove Protection) Area			
Various commercial (aquaculture or pearling) areas			

Do you have any other comments about the zones? (Please be specific)

.....

.....

.....

.....

Comment is also sought on an alternative option for the conservation areas in the Cape Preston Marine Management Area becoming fish habitat protection areas. (Please be specific)

.....

.....

.....

.....

Management targets
Do you agree with the management targets for the ecological values as outlined in the tables in Section 7.1 of the indicative management plan?
☐ Y ☐ N

Your reasons: (please be specific)

.....

.....

.....

.....

Do you agree with the management targets for the social values as outlined in the tables in Section 7.1 of the indicative management plan?
☐ Y ☐ N
Your reasons: (please be specific)

.....

.....

.....

.....

Other comments
Do you have any other comments about the establishment and management of the proposed reserves? (Please be specific)

.....

.....

.....

.....

Do you have any comments about the planning process for the proposed reserves? (Please be specific)

.....

.....

.....

.....

Thank you for your submission.

When completed, moisten light blue areas on the other side of form, then refold to close (do not staple) so the return address panel is on the outside.

No stamp required
if posted in Australia
