Conditions of Sale

The Broome Nursery is a tree nursery growing hardy native and exotic trees suitable for the semi-arid tropics. Householders are entitled to 10 free plants once only and commercial and horticultural blocks 20 free plants once only. All free plants are transported free of charge to Airlines of W.A. destinations through the courtesy of Ansett Air Freight. Additional plants are available from \$1.00 each and are sent freight forward.

Community projects, shires, schools, aboriginal communities etc. are entitled to free plants. Requests should specify exactly what the plants are required for.
