- Four Aces

One Tree Bridge Conservation Park 📫 开 🎊

Located near each other on the Donnelly River, these sites provide a fantastic hub for bushwalking, birdwatching and photography. One Tree Bridge is linked to the Four Aces by a 2km return walk trail. The Bibbulmun Track and Munda Biddi trails can also be accessed from the One Tree Bridge car park. Camping is available nearby at the Greens Island camp site.

King Karri 🎊

At 71m tall, this giant karri tree stands out amongst a sea of regrowth karri forest. Follow the walk trail from Donnelly River Village to marvel at this magnificent tree.

Lake Muir Lookout

Lake Muir Nature Reserve 🎦 🚻 🚊

A popular stop with travellers on the Muir Highway, visitors can follow a boardwalk through the internationally significant wetlands to an elevated bird hide with expansive views over Lake Muir.

D'Entrecasteaux National Park

D'Entrecasteaux National Park stretches for more than 130km along the south coast between Augusta and Walpole. The park is an important place for Piblemen Noongar people and features a large number of culturally significant sites.

Please refer to the *D'Entrecasteaux National Park* brochure for further information.

D'Entrecasteaux Drive (Point D'Entrecasteaux) 🏟 🏧 👯 语

This sealed 6km drive winds its way from Windy Harbour Road to Point D'Entrecasteaux where visitors are afforded spectacular views from a number of cliff-top lookouts before continuing to Salmon Beach. Walk trails allow visitors to explore the area on foot.

Mount Chudalup 🖬 🏧 🕅 🛉

Mount Chudalup rises to a height of 188m. A moderate 2.5km return walk trail guides visitors to the summit where they are rewarded with spectacular 360-degree views. Be aware that the granite can be slippery in wet weather and there are steep drop-offs on the summit.

Donnelly Boat Landing 🗰 秤 🛬

Launch your boat or canoe at Donnelly Boat Landing for an 11km trip down the Donnelly River to the mouth.

Yeagarup Lake 👬 🌴

Yeagarup Lake is the gateway to the coast and the Yeagarup Dunes. Take a stroll on the boardwalk or picnic under the shady trees. The nearby Leaning Marri campground offers a shady place to camp.

Four-wheel driving to the coast:

Yeagarup Dunes

The Yeagarup Dunes are a vast mobile sand dune system moving into the forest at a rate of 1m per year. The journey across the dunes is challenging yet rewarding. The track passes through soft sand so you will need to reduce your tyre pressure. Follow the posts that mark the designated route. Camper trailers are not permitted on the dunes due to the steep ascent through soft sand.

Black Point 🔺 🚖 👬 🏧 🙋 🛴

Black Point is named for its spectacular hexagonal-shaped black basalt columns formed by volcanic lava flow. They are best seen at Stepping Stones where the rocks fit together like a mosaic. Sheltered camp sites provide a base from which you can explore this interesting stretch of coastline.

Lake Jasper (Yoondaddup) \Lambda 👬 🟦 🌌 🏖 🎦

Yoondaddup is the Aboriginal name for Lake Jasper and the area is a sacred area to the Piblemen people. Being the largest freshwater lake in the south-west of WA, the area is ideal for swimming, canoeing and birdwatching.

D'Entrecasteaux beaches Jasper, Yeagarup, Warren, Malimup, Gardner, Coodamurrup

Visitors to D'Entrecasteaux National Park are spoilt for choice of beaches to discover and explore. All are accessible by fourwheel drive only and you will need to reduce your tyre pressure and drive carefully. River crossings and tide conditions need to be considered as vehicles have been damaged in the past. Sheltered camping is available at Moores Hut located near Coodamurrup Beach.

Lake Jasper (Yoondaddup)

👬 🛦 🚖 🌌 🏝

D'Entrecasteaux National Park

There are three walk-in camp sites located at Lake Jasper. Visitors can leave their vehicle in the car park and carry their equipment to the sites provided. These sites are popular, particularly in warmer months. Black Point and the Carey Brook campgrounds offer nearby alternatives if Lake Jasper is full.

Leaning Marri campground (Yeagarup Lake) D'Entrecasteaux National Park \Lambda 👬 🔶

Leaning Marri Campground offers six shady camp sites located close to Yeagarup Lake. A group camp site with a shared shelter is also available. Leaning Marri provides a good base for those who wish to venture across the Yeagarup Dunes and to the coast.

Moores Hut (Coodamurrup Beach D'Entrecasteaux National Park

Moores Hut is a relic from the pastoral era and provides a rustic and basic shelter option close to Coodamurrup Beach. Camping is provided for in a peppermint woodland setting close to the hut.

Big Brook Arboretum Big Brook Forest 🗰 🛧 🍙 📷

Located 3km from Big Brook Dam along the Karri Forest Explorer Drive, visitors can camp at the Big Brook Arboretum. The site is suitable for caravans, and pets are allowed on a leash.

Greens Island

One Tree Bridge Conservation Area \Lambda 🗰 🛪 💦

Set near the banks of the Donnelly River, Greens Island camping area provides an ideal setting for exploring surrounding attractions and access to the Bibbulmum Track and Munda Biddi Trail. Pets are allowed on a leash.

Grass Tree Hollow

Greater Hawke National Park \Lambda 👬 🖬 🔶 🕅

Snottygobble Loop and Grass Tree Hollow each provide secluded vehicle-based camping close to Carey Brook. Snottygobble Loop has 11 camp sites including a group camping area and a picnic shelter. Grasstree Hollow has seven shady camp sites and basic facilities. A moderately easy 5km return walk trail runs from Grass Tree Hollow, through Snottygobble Loop to the mysterious Goblin Swamp. The Donnelly Boat Landing is also located nearby.

Warren National Park \Lambda 👬 🗟 🕂 🌌

spread along the Warren River. The area allows for river access and provides decks with views overlooking the river.

Warren camp Warren National Park \Lambda 🗰 🌴 🗰 🌌

Warren Camp has six secluded camp sites tucked away in the forest. Shaded viewing platforms overlook the river next to the canoe launch site.

Black Point

D'Entrecasteaux National Park \Lambda 👬 🚖 🊈 🕸 🏌 Black Point has two camping loops with a total of 30 camp sites. Both loops allow easy access to surrounding attractions including Stepping Stones, Breakfast Holes and Surfers Cove.

Draftys camp

Draftys Camp has two camping loops with shady camp sites

Karri Forest Explorer Drive

The Karri Forest Explorer is an 86km scenic drive that circumnavigates the historic timber town of Pemberton. The drive winds through Gloucester, Greater Beedelup and Warren national parks, and Big Brook Forest. It also passes many other local attractions including wineries, cafes, galleries and craft centres. You can enjoy the drive at your own pace and it can be done as one journey or several smaller ones.

Karri Forest

Explorer

Trail-side information is available and visitors can tune into the local tourist radio (88FM) to hear stories of the area.

See the Karri Forest Explorer brochure for more information.

Gloucester National Park

Gloucester Tree 🗰 🗟 👯 开

Gloucester National Park is home to the 53m-tall Gloucester Tree that was once used as a fire lookout tree. Today, visitors can climb the 153 pegs to the top where they are rewarded with commanding views of the karri forest and surrounding farmland. Back on firm ground, visitors can enjoy one of the area's walk trails ranging from 400m to 10km long.

The Cascades 👬 开 熬 📥

The Cascades are located at the southern end of the park This waterfall is a great place to visit all year round, but is particularly impressive in winter when the Lefroy Brook transforms from a gentle flow to a raging torrent. Lookout platforms and a 1.2km loop walk trail provide vantage points to view the rapids and surrounding forest. The walk trail is steep in places.

Greater Beedelup National Park

き 찬 🕂 🕂

Beedelup Falls

Beedelup Falls - the national park's main attraction - are pleasant all year round, but are in full flow in winter and early spring. Visitors can access the falls via a 600m walk that traverses a boardwalk and suspension bridge and offers passage across Beedelup Brook. There is also wheelchair access to a viewing platform with views of the falls, Lake Beedelup and the Karri Valley Resort.

A mildly challenging 4.5km walk also runs between the falls and Karri Valley Resort.

information.

Heartbreak Trail 🛛 👬 🌴 👯 🛦 🌌 🗟

The Heartbreak Trail is a 12km drive trail that follows the karri-clad slopes of the Warren River valley. The trail takes you past several places of interest including Heartbreak Crossing, the Warren River Lookout and Draftys and Warren camp sites. Please be aware that the Heartbreak Trail is a oneway, gravel road that is very steep in places and can become slippery when wet. It is not suitable for buses, caravans or trailers. Tune into 88FM at Warren Lookout for information about the area.

Warren River Loop Walk

This walk is a spectacular 10.5km moderately hard walk trail that passes through some of the region's most magnificent old-growth karri forest. The trail takes you deep into the moss-clad Warren River valley where it meanders alongside the river through groves of karri, sheoak and Warren River cedar.

Please refer to the Warren National Park brochure for further

Big Brook Fores

Big Brook Dam 🗰 🏧 🕅 🛥 🟦 裙

Big Brook is a young forest, regenerated after harvesting in the 1920s. Visitors can swim in the dam, picnic by the water's edge or enjoy the sealed 4km Big Brook Dam Walk that circumnavigates the dam. Fishing for trout or using a snare to catch marron in season are also popular activities (see Fisheries website for details, fish.wa.gov.au).

Dogs may be taken on a leash to the Big Brook Dam, but are not allowed in the water or on the beach.

Big Brook Arboretum

The arboretum is 3km from Big Brook Dam by vehicle, or 1km on foot via a walk trail that leads off from the upper reaches of the dam. You can wander among the many plots of exotic trees that were planted here and see how they grow and
