Rediscover Perth outdoors

Immerse yourself in Perth's natural environment by rediscovering its many national, marine and regional parks and reserves. This book provides information on 37 different parks in a region stretching from Yanchep National Park in the north, to Lane Poole Reserve in the south, Avon Valley National Park in the east and the offshore marine parks and Rottnest Island in the west.

It includes extensive information on the many walk and cycle trails available, as well as a comprehensive guide to day walks on the Bibbulmun Track, day rides on the Munda Biddi off-road cycling trail and mountain bike trails in the Perth hills.

Whether they are in the heart of the city, off the coast or amid the picturesque Perth hills, the parks are well worth the time to get out there and explore.
