Bibbulmun TRACK

Northern map pack

*Kalamunda to
Donnelly River Village*

Department of
Environment and Conservation

All proceeds from map sales are used to support the track.

NEW features

- Extremely durable, water proof and virtually rip proof
- Larger, more detailed 1:50,000 scale
- Printed full colour both sides
- GDA94 for GPS compatibility
- Plantations, karri forest and watershed boundaries included
- Improved terrain profiles
- Clearer vehicle access

—along with all of the regular features provided on the original maps such as tables of distances between campsites, towns and road crossings and profiles with outstanding features along the track.

This award winning, world class 1000-kilometre walking track stretches from the Perth Hills to Albany and traverses the most beautiful natural areas of Australia's South West. It provides top class facilities including 48 campsites spaced a comfortable day's walk apart.

This series of four maps covers the 462-kilometre northern part of the Bibbulmun Track between the start at Kalamunda near Perth and Donnelly River Village in the karri forests of the South West.

The maps provide walkers with the information they need to confidently undertake a safe and enjoyable walk on any part of the Bibbulmun Track – be it for a two-hour stroll or a two-month adventure. Along with geographical information these maps also provide useful and essential background information needed to plan a walk of any length on the track.

Maps included in this set

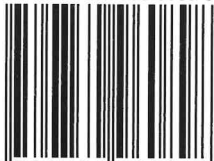

Map 1: Darling Range: Kalamunda to North Bannister

Map 2: Dwellingup: North Bannister to Harvey-Quindanning Road

Map 3: Collie: Harvey-Quindanning Road to Mumballup

Map 4: Blackwood: Mumballup to Donnelly River Village

ISBN 978-0-7309-6089-8

This award winning, world class 1000-kilometre walking track stretches from the Perth Hills to Albany and traverses the most beautiful natural areas of Australia's South West. It provides top class facilities including 48 campsites spaced a comfortable day's walk apart.

This series of four maps covers the 503-kilometre southern part of the Bibbulmun Track between Donnelly River Village in the heart of the karri forests and Albany, an historic town on the rugged southern coast.

The complete set of eight maps provide walkers with the information they need to confidently undertake a safe and enjoyable walk on any part of the Bibbulmun Track – be it for a two-hour stroll or a two-month adventure. Along with geographical information these maps also provide useful and essential background information needed to plan a walk of any length on the track.

Maps included in this set

Map 5: Pemberton: Donnelly River Village to Middleton Road

Map 6: Northcliffe: Middleton Road to Broke Inlet Road

Map 7: Walpole: Broke Inlet Road to William Bay

Map 8: Denmark/Albany: William Bay to Albany
