Come and view the moon and the stars **tonight** in Fremantle's historic Kings Square.

As part of its centenary celebrations and the Fremantle Festival, the Perth Observatory has set up its telescopes for people to view the night sky.

So come along and view the wonders of the universe in King Square from 7.00pm to 9.00pm.

So don't miss it — bring the family and join Basil the Bilby and the Perth Observatory as they present the moon and stars!
