## Community Litter Grants now open

### [Find out more and apply for a Community Litter Grant](#)

The grants offer up to \$10,000 for community initiatives that tackle litter through on-ground action and education, with a total of \$50,000 available in the 2026–27 grant round. Application close 2<sup>nd</sup> June.

To open the grants round we collaborated with the Shark Bay community to remove debris from False Entrance Beach.

Locals rolled up their sleeves to tidy up this iconic fishing spot, with fantastic support from **Aristocat 2 Cruises**, the Shire of Shark Bay, Shark Bay Community Resource Centre, local four-wheel-drive enthusiasts, Parks and Wildlife Service Western Australia, Shark Bay Salt, and the wonderful staff and students from Useless Loop Primary School.

Thank you to everyone who helped make the day such a success and showed what community spirit can achieve.
