STATE FOREST No. 39

LOCAL GOVERNMENT: Manjimup

NAME: Warren State Forest

PURPOSE: State Forest

VESTING: Conservation Commission

ACTION

Excision of Lot 513 on Deposited Plan 73515 (0.0825 hectares) from State Forest No. 39.

Total Area: 35803.1760 to 35803.0935 hectares

REASON FOR ACTION:

Main Roads requested the excision of 0.0825 hectares from State Forest No. 39 and 0.2756 hectares from Sir James Mitchell National Park (A18705) to facilitate upgrades to the intersection of the Vasse and South Western Highways. The upgrades will involve the construction of a turning lane from Vasse Highway and are anticipated to improve safety at this intersection. Excisions from State forest require the support of both Houses of Parliament before an order is the Government Gazette revoking the dedication of any area of State forest. The Legislative Assembly supported the proposal on 9 September 2015 and by the Legislative Council on 17 September 2015.

An order was published in the Government Gazette on 15 January 2016 finalising the excision.

The excision from Sir James Mitchell National Park is currently being progressed by the Department of Lands. (p 81)
