

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 6557

LOCAL GOVERNMENT: Shire of Dowerin

NAME: Unnamed

PURPOSE: Conservation of Flora & Fauna **VESTING:** Conservation Commission of WA

ACTION

Change of purpose from "Water" to "Conservation of Flora & Fauna"

TOTAL AREA: 63.131ha

REASON FOR ACTION

Reserve 6557 was previously an unclassified reserve vested in the Water & Rivers Commission (WRC) for the purpose of "Water". It is one of many water reserves in the Wheatbelt Region that were identified several years ago as being surplus to the requirements of the water agencies. The reserve has high conservation value and the WRC agreed in 2000 to relinquish the vesting in favour of the land being added to the conservation reserve system. Action to amend the reserve was delayed until the native title issue was cleared by the Ward High Court decision.

Date of amendment: 20/03/2006 **Maps:** pp. 61, 64 & 65

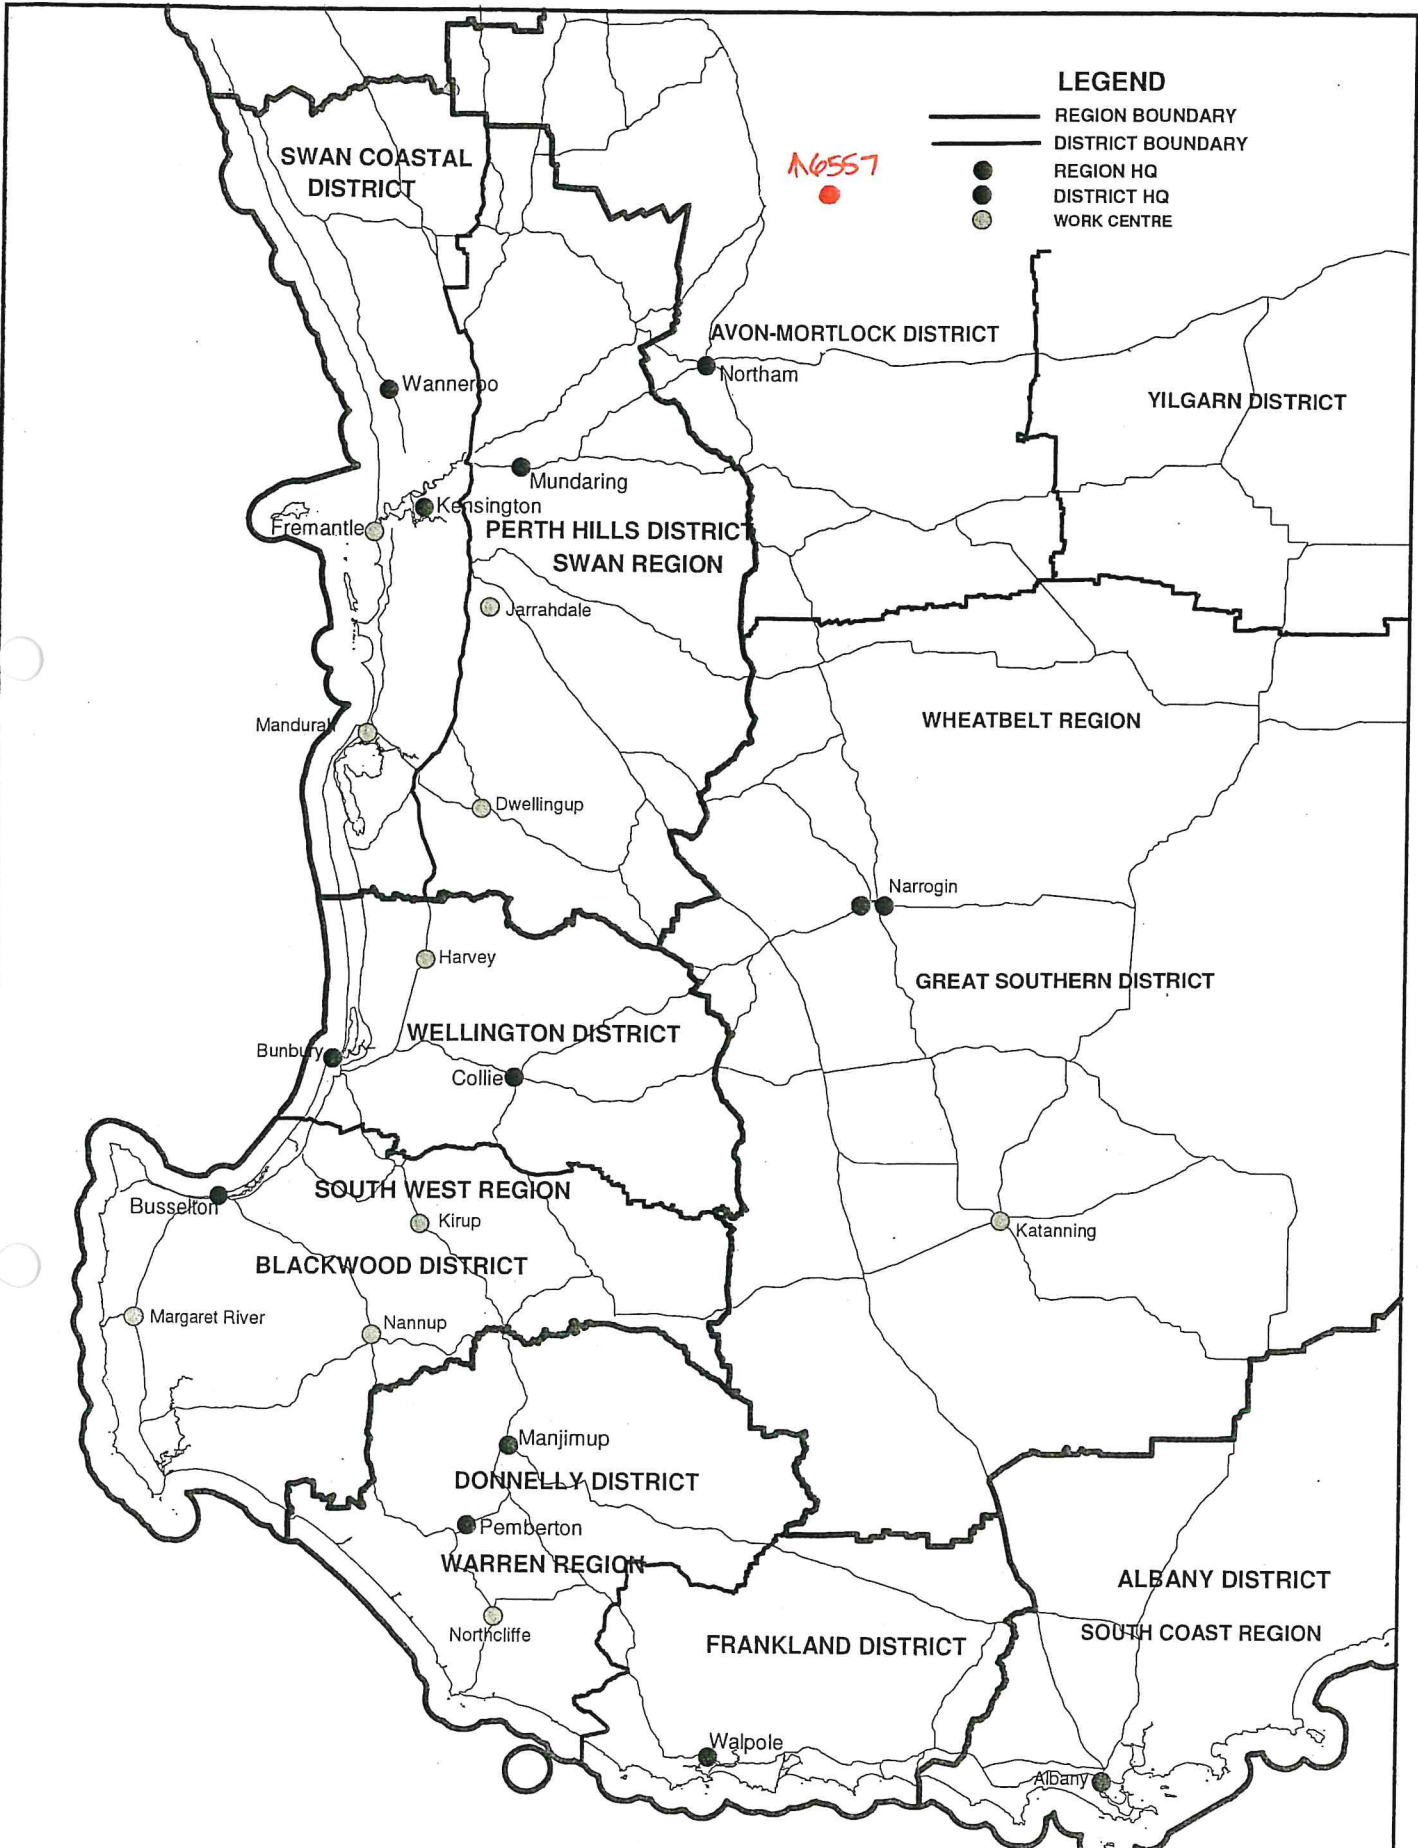

Customer advice: p. 60 **Proposal Summary:** see pp.

IUCN classification: (if existing reserve)

Recommended IUCN classification: (if new reserve) 1a

NATIVE TITLE: Extinguished by previous vesting (Ward High Court decision)

1	LAND SERVICES CO-ORDINATOR	To note	<i>FL</i>
