RESERVE No. 14083 "WATER"

I refer to my memo of July 26, 1984 and advise for your information that Executive Council has:

- 1 revoked the Order in Council whereby Reserve No. 14083 was vested in The Hon. the Minister for Water Supply, Sewerage and Drainage in trust for the purpose of "Water" and approved of the cancellation of the relevant Vesting Order.
- 2 approved of the purpose of Reserve No. 14083 (Avon Location 19281) being changed from "Water" to "Conservation of Flora and Fauna".
- 3 issued an Order in Council directing that Reserve No. 14083 (Avon Location 19281) shall vest in and be held jointly by the Western Australian Wildlife Authority and the Shire of Wyalkatchem in trust for the purpose of "Conservation of Flora and Fauna".

Notice to this effect will be published in the Government Gazette of 14 September 1984 and I enclose a print showing the said reserve and the relevant Vesting Order.

SC RESERVE S - could you please advise me the file no.

RP. Several new files were created recently for reserves in the Wyalkatchem Shire - 705/84 for T16913, 706/84 for T4670, etc. Reserve 14083 might have been included in this sequence of files. If not, I think the number might be 321/79. RP
