MINISTER FOR THE ENVIRONMENT; RACING AND GAMING

**EXCISIONS FROM THOMSONS LAKE NATURE RESERVE (RESERVE A15556)
AND HARRY WARING MARSUPIAL RESERVE (RESERVE A29241) DUE TO
THE REALIGNMENT AND WIDENING OF RUSSELL ROAD**

Thomsons Lake Nature Reserve (Reserve A15556) and Harry Waring Marsupial Reserve (Reserve A29241) are both class A nature reserves vested in the Conservation Commission of Western Australia.

In October 2005, the City of Cockburn contacted the Department of Conservation and Land Management (CALM) requesting approval to realign and widen Russell Road, which runs between the two reserves (Map 1).

The eastern part of Russell Road, between Thomsons Lake Nature Reserve and Harry Waring Marsupial Reserve, is located north of the dedicated road reserve. It is proposed to realign this portion of Russell Road so that it is now located entirely within the road reserve (Map 2). Additionally, this portion of Russell Road will be widened (as indicated in the Metropolitan Region Scheme – Map 3) and will require the excision of land from both Thomsons Lake Nature Reserve and Harry Waring Marsupial Reserve (Map 4).

The proposed realignment and widening are the result of the need to provide a safe traffic intersection on the eastern boundary of Thomsons Lake Nature Reserve and Harry Waring Marsupial Reserve.

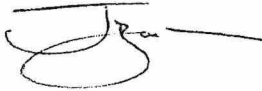

In February 2006, the proposal was endorsed by the Conservation Commission of Western Australia on the condition that the City of Cockburn should do the following.

1. Remove the existing road base through Thomsons Lake Nature Reserve and rehabilitate the area (about 0.4 ha) with local native species to the satisfaction of CALM.
2. Remove any bitumen road base, pipes and other debris associated with previous roads from the northern portion of Harry Waring Marsupial Reserve.
3. Re-align the vermin-proof fence at Harry Waring Marsupial Reserve to the satisfaction of CALM.
4. Provide an agricultural fence along the revised cadastral boundary at the south-east corner of Thomsons Lake Nature Reserve.

I therefore seek your approval to excise approximately 1846 m² from Thomsons Lake Nature Reserve (Reserve A15556) and approximately 203 m² from Harry Waring Marsupial Reserve (Reserve A29241) for the alignment and widening of Russell Road.

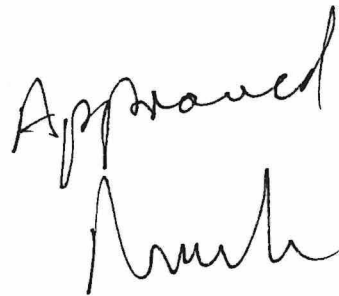

Section 45(4) of the *Land Administration Act 1997* (LAA) requires excisions for roads to be tabled in Parliament and to be subject to disallowance. There is no requirement under the LAA for you to approve such excisions but I would prefer to obtain your approval.

The road excision papers will be tabled in Parliament by the Minister for Planning and Infrastructure, who is responsible for administering the LAA.
