RESERVE A29860 – Pallarup Nature Reserve

REASON FOR ACTION

Amendment of Reserve A29860, located in the Shire of Lake Grace, to exclude Roe Location 3158, and of its area being reduced by 3.6235 hectares. Pallarup Nature Reserve is a class A reserve vested in the Conservation Commission for the purpose "*Conservation of Flora and Fauna*".

Area: 4185.5372 hectares

The 20 m wide strip of land excised from the nature reserve follows the alignment of the Magdhaba Track and enables the dedication of the Magdhaba Track as a road reserve vested in the Shire of Lake Grace. The Magdhaba Track is 5.64 km in length and traverses both vacant crown land and A↑29860, with about one third being contained within the nature reserve. The Shire of Lake Grace have already been maintaining the track, which is mainly used by local traffic and a school bus.

The excision is in exchange for a section of unmade road reserve immediately to the north of the nature reserve, which is to be closed and added to Pallarup Nature Reserve.
