

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 39703

LOCAL GOVERNMENT: Shire of Mount Marshall

NAME:

PURPOSE: Conservation of flora and fauna

VESTING: Conservation and Parks Commission

ACTION: Addition of part Reserve 20529 to Class A Nature Reserve 39703

Total Area: 8.12ha to 476.46ha

REASON FOR ACTION: In 2011 the Department of Water deemed Reserve 20529 surplus to their requirements and offered management to the Shire of Mount Marshall and the Department of Biodiversity, Conservation and Attractions.

The majority of Reserve 20529, being 468.31 hectares was added to the adjacent class A nature reserve to consolidate management and protect a known population of threatened flora *Boronia adamsiana* and the underrepresented vegetation complexes found within the reserve.

Management of a 77.96ha was transferred to the Shire of Mount Marshall, to facilitate the Shire's management of the historic Datjoin Well. A 0.40ha portion which contained water infrastructure was transferred to the Water Corporation.

Date of amendment: 27/6/2022

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. A39703

LOCAL GOVERNMENT: Shire of Mount Marshall

NAME: Unnamed Nature Reserve

PURPOSE: Conservation of flora and fauna

VESTING: Conservation and Parks Commission

ACTION:

Addition of 468.3098 ha, being Lot 700 on Plan 416481, to class A Nature Reserve 39703.

PREVIOUS AREA: 8.117 hectares

CURRENT AREA: 476.4268 hectares.

REASON FOR ACTION:

Department of Water and Environmental Regulation identified Reserve 20529 with purpose of 'water' as surplus to requirements. DBCA and the Shire of Mount Marshall expressed interest in management of Reserve 20529.

Reserve 20529 was known to contain populations of threatened flora *Boronia adamsiana* and four district vegetation types. Three of these vegetation types were under-represented in the conservation reserve system in the Wheatbelt Region. The conservation values of Reserve 20529 made it suitable for addition to the conservation reserve system. Lot 700, being the majority of Reserve 20529 was added to the adjacent class A Nature Reserve.

The Shire of Mount Marshall accepted management of Lot 701, being 77.96ha, which contains a historic site known as Datjoin Well, which the Shire manage for recreation.

The Water Corporation accepted management of 0.40 ha of reserve 20529, which contained existing water infrastructure.

Date of amendment: 27/06/2022
