

RESERVE ACTION SHEET - CONSERVATION RESERVES

RESERVE No. 41080

REASON FOR ACTION

The creation of a 5(1)(h) reserve with a Management Order issued to the Conservation Commission for the purpose "Conservation, Navigation, Communication, Meteorology and Survey".

Area: 0.0594 hectares

Due to increasing use of satellite-aided navigation and AMSA's desire to rationalise its property holdings the Commonwealth has been divesting properties containing lighthouses and marine navigational aids. Reserve 41080 on North West Island is a former AMSA property which will be leased back to AMSA to permit continued operation of lighthouse facilities.
