RESERVE No. 47881

LOCAL GOVERNMENT: City of Gosnells

NAME: Korung National Park

PURPOSE: National Park

VESTING: Conservation Commission

ACTION

Amendment of Korung National Park to now includes Lot 3920 on Plan 192128.

Total Area: 6344.000 to 6344.328ha

REASON FOR ACTION

The Department of Water undertook a review of their landholdings and identified that Reserve 46835 (Lot 3920 on Plan 192128) was surplus to requirements. DEC accepted management of this area to rationalise boundaries and management of a major access route into the park.

Commission Submission Summary Sheet

TITLE OF AGENDA / ITEM: Proposed excision of land for road construction from Korung National Park and the addition of closed roads to the national park

MEETING DATE: 19 October 2018

AGENDA ITEM NO.:

TIME REQUIRED:

DECISION: Approval/Noting

PROPONENT: City of Kalamunda

ISSUE: Proposed excision of land from Korung National Park for Canning Road and Canning Mills Road realignment and the addition of closed roads to the national park.

BACKGROUND

The City of Kalamunda (the City) is working with the City of Armadale to re-classify Canning Road between Welshpool Road and Brookton Highway as a State road.

The City and Main Roads Western Australia (MRWA) have identified that sections of Canning Road and Canning Mills Road are not within the designated road reserve and are located within Korung National Park (class 'A', Reserve no. 47881).

In August 2015 the City asked the Department of Biodiversity, Conservation and Attractions (DBCA) to support the creation of a new road reserve through the national park to accommodate the existing constructed location of the roads as shown hatched red on the attachments. The area proposed to be excised from the national park is about 5.67 ha.

CURRENT

The City has proposed that in exchange for the excision of land for the realignment, it will obtain approval for the closure and relinquishment of the unmade portions of Canning Road and Canning Mills Road for addition to the national park, as shown hatched green on the Attachments. The area proposed to be excised from the national park is about 4.98 hectares.

Western Power and Telstra have services within the proposed road closure land. Western Power has advised that maintenance of their services would be covered under the standing Protocol Agreement with DBCA. Under this agreement, Western Power currently notifies the applicable DBCA District using a notification form for any proposed access or maintenance work.

Telstra were requested to advise if they would accept an exchange of letters with the DBCA to carry out maintenance of their services, following the proposed realignment of the roads. Telstra have advised they have a standard agreement which they have asked DBCA to sign. The Land Services Unit will seek the signature of the Perth Hills District Manager for this agreement with Telstra.

The Department of Mines, Industry Regulation and Safety (DMIRS) was requested to provide their approval to the excision of portions of Korung National Park for road purposes and for the road closure and additions to the park. DMIRS has advised they have no objection to the proposal.

The relinquishment of land from the park and the addition of the unconstructed road reserve to the park requires the Minister for Environment's approval, which will be requested through a future briefing note. The Commission's views on this proposal will be provided to the Minister.

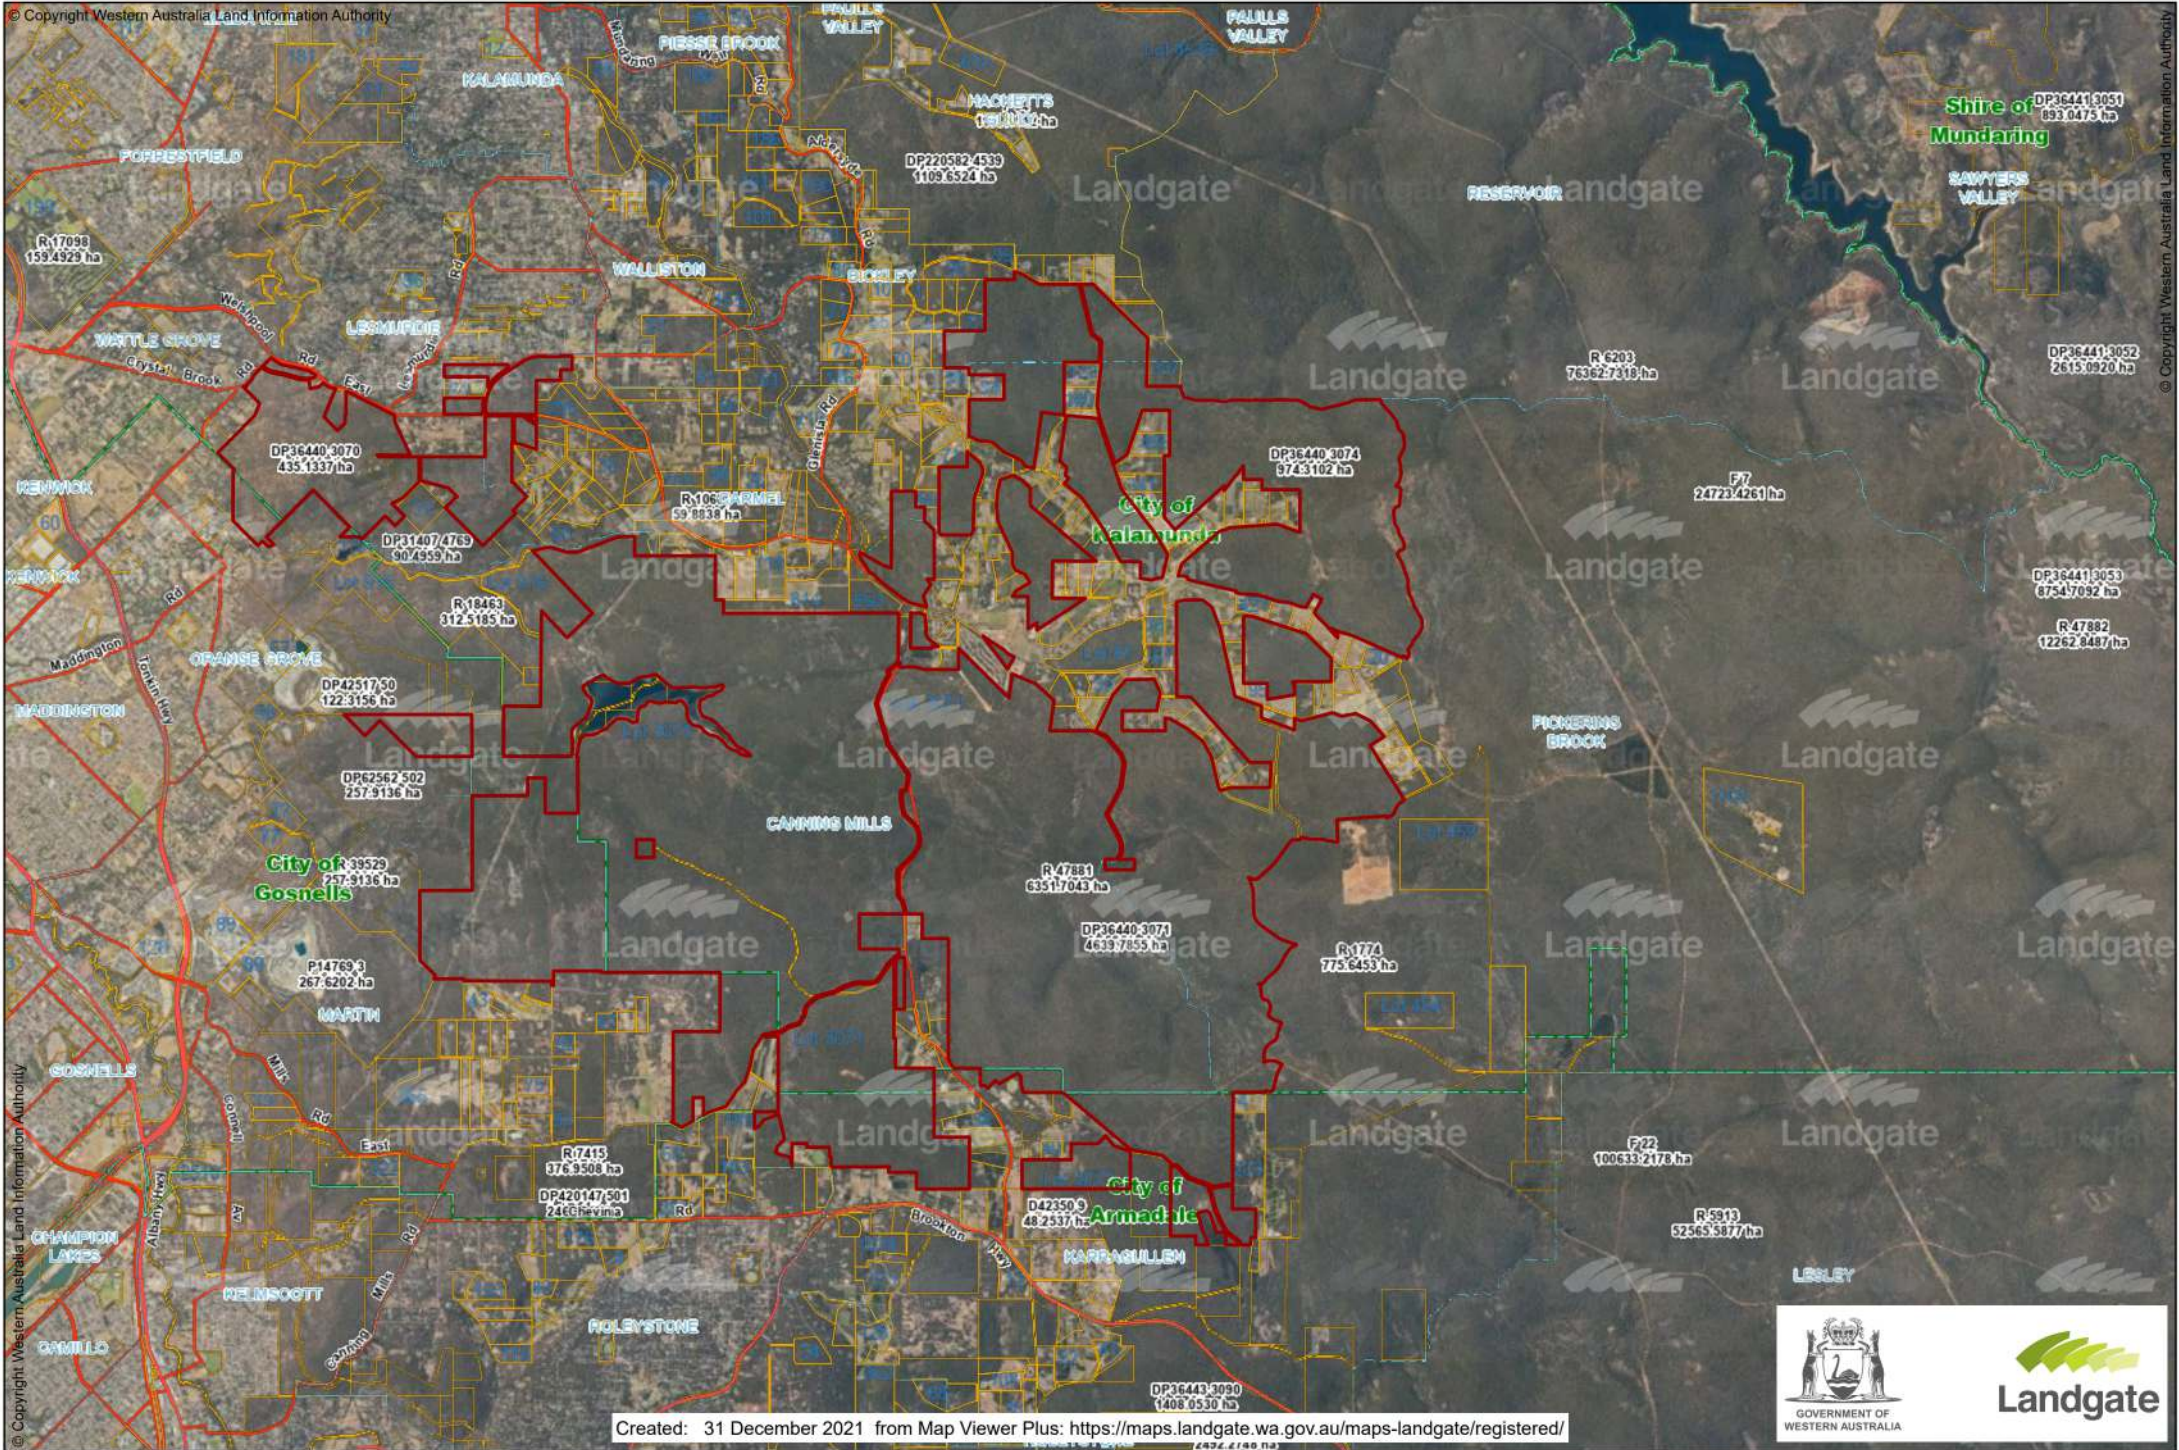

The Minister will be asked for consent to the excision of land for a road under *s45(4) of the Land Administration Act 1997* and the addition of land to the national park under *s45(2)(a) of the Land Administration Act 1997*.

If the Minister's approval is given, responsibility for finalising the proposed excision of land and addition of land in accordance with *s45 of the Land Administration Act 1997* rests with the Department of Planning, Lands and Heritage.

RECOMMENDATION(S):

1. That the Commission supports the proposed excision of about 5.67 hectares from Korung National Park (class A Reserve No. 47881) for dedicated of a road as part of the existing constructed Canning Road and Caning Mills Road.
2. That the Commission supports the City of Kalamunda's proposal to obtain approval to the closure and relinquishing of about 4.98 hectares of unmade portions of Canning Road and Canning Mills Road for addition to Korung National Park.
