

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 49363

LOCAL GOVERNMENT: City of Canning

NAME: un-named Conservation Park

PURPOSE: Conservation Park

VESTING: Conservation Commission

ACTION

Amendment of reserve to now include Lots 3806 and 3809 on Deposited Plan 54948.

Total Area: 50.9405 to 74.2108 hectares

REASON FOR ACTION

In January 2013 Western Australian Planning Commission (WAPC) sought to relinquish management over numerous freehold lots within the Canning River Regional Park. It was proposed that they transfer approximately 23 hectares of WAPC owned freehold to the Conservation Commission for addition to Reserve 49363. This proposal has rationalised management of WAPC land within the Canning River Regional Park.

On seven March 2013 Lots 3806 and 3809 on Deposited Plan 54948 were added to Reserve 49363.

Date of amendment: 7/3/13

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 49363

LOCAL GOVERNMENT: City of Canning

NAME: un-named conservation park

PURPOSE: Conservation Park

VESTING: Conservation Commission

ACTION

Amend reserve 49363 to include Lots 3013 and 3014 on Deposited Plan 51385.

Total Area: 74.2108 to 92.9856ha

REASON FOR ACTION

The Western Australian Planning Commission transferred freehold lots to the City of Canning and the Department of Parks and Wildlife for addition into existing reserves in the Canning River Regional Park. Lot 3013 and 3014 were transferred to the Department of Parks and Wildlife and added to Reserve 49363. The transfer these lots allows for rationalisation of tenures within the Canning River Regional Park.

Date of amendment: 31/10/13

RESERVE ACTION SHEET: REGIONAL PARKS CONSERVATION RESERVES

RESERVE No. 49363

LOCAL GOVERNMENT: City of Canning

NAME: Canning River Regional Park

PURPOSE: Conservation

VESTING: Conservation and Parks Commission

ACTION: Amendment of Reserve 49363 to include Lots 811, 3010, 3011 and 3012.

Total Area: 95.2037 ha

REASON FOR ACTION:

In May 2016 Lot 811 was disposed of by the Western Australian Planning Commission to the State of Western Australia for inclusion in Crown Reserve 28740. R28740 was managed by Department of Parks and Wildlife as part of Canning River Regional Park.

In order to simplify reserve boundaries, Parks and Wildlife requested R28740 (comprising Lots 811, 3010 and 3012) and an adjacent Crown Reserve 47244 (Lot 3012) be incorporated into R49683, the largest Crown Reserve in the regional park. The vesting for Reserves 28740 and 47244 has therefore been revoked and the four Lots above added to R49683. R49683 has a reserve purpose of Conservation Park, which is consistent with the purpose of the revoked reserves.

Lots 811, 3010, 3011 and 3012 comprise area 14 in the attached plan of Canning River Regional Park current management areas.

Date of amendment: 18/07/2016
