

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 53974 **LOCAL GOVERNMENT:** Shire of Cuballing

NAME: Un-named nature reserve

PURPOSE: Conservation of flora and fauna

VESTING: Conservation and Parks Commission

ACTION: Creation of a new class A nature reserve comprising Lot 550 on Plan 410033.

REASON FOR ACTION:

As recommended in the *Dryandra Woodlands Management Plan 2011* a class A nature reserve was created over portion of State Forest No 53 (Montague), being 110 hectares.

The Dryandra Woodland is located about 160 kilometres south-east of Perth in a transition zone between the heavily cleared Avon-Wheatbelt and Jarrah Forrest Bioregions. It is one of the largest and most diverse remnant bushland areas in the Wheatbelt containing populations of numbats. The new reserve was created along with class A nature reserve R53975 and Dryandra Woodland National Park (R53976).
