

list of previously overlooked specimens  
before my time

PLANTS RECORDED FROM TWO PEOPLES BAY RESERVE

POLYPODIACEAE

*Asplenium praemorsum*\*  
*Lindsaya linearis*\*

RESTIONACEAE

*Anarthria gracilis*  
*Anarthria prolifera*  
*Anarthria scabra*\*  
*Hypolaena exsulcata*✓  
*Loxocarya flexuosa*  
*Loxocarya pubescens*  
*Lyginia tenax*\*

SCHIZAEACEAE

*Schizaea fistulosa*\*

LILIACEAE

SCHEUCHZERIACEAE

*Cycnogeton procerum*?

*Agrostocrinum scabrum*  
*Burchardia umbellata*  
*Borya nitida*  
*Calectasia cyanea*  
*Chamaescilla corymbosa*  
*Dasypogon bromeliifolius*  
*Johnsonia lupulina*  
*Lomandra endlicheri*  
*Thysanotus asper*  
*Thysanotus glaucus*  
*Thysanotus patersonii*

GRAMINEAE

*Amphipogon laguroides*\*  
*Amphipogon turbinatus*\*  
*Danthonia* spp.  
*Poa drummondiana*  
*Stipa compressa*

HAEMODORACEAE

*Anigozanthus flavidus*  
*Anigozanthus preissii*  
*Conostylis aculeata*\*  
*Conostylis aurea*\*  
*Conostylis breviscapa*\*  
*Conostylis misera* NL\*  
*Haemodorum spicatum*—  
*Tetronarcce confusa*

CYPERACEAE

*Cyathochaete clandestina*\*  
*Gyperus congestus*  
*Lepidosperma brunonium*  
*Lepidosperma effusum*  
*Lepidosperma gladiatum*  
*Mesomelaena tetragona*?  
*Mesoprelaena tetragona*✓  
*Schoenus curvifolius*  
*Schoenus ? caespititius*—  
*Schoenus subbulbosus* NH—  
*Scirpus nodosus*

IRIDACEAE

*Patersonia occidentalis*  
*Patersonia umbrosa*  
*Romulea rosea*

ORCHIDACEAE

*Acianthus reniformis*  
*Caladenia aphylla* \*

*Caladenia deformis*  
*Caladenia filamentosa*  
*Caladenia flava*  
*Caladenia gemmata*  
*Caladenia huegelii*  
*Caladenia latifolia*  
*Caladenia menziesii*  
*Cryptostylis ovata*  
*Diuris longifolia*  
*Elythranthera brunonis*  
*Elythranthera emarginata*\*

*Eriochilus tenuis*  
*Hyperanthus nigricans*  
*Hyperanthus serratus*  
*Prasophyllum fimbria*  
*Prasophyllum gibbosum*  
*Prasophyllum hians*  
*Prasophyllum parvifolium*  
*Pterostylis nana*  
*Thelymitra canaliculata*

PROTEACEAE (cont'd)

*Conospermum caeruleum*  
*Conospermum teretifolium*  
*Dryandra armata*  
*Dryandra floribunda* ✓  
*Dryandra formosa*  
*Dryandra nivea*  
*Dryandra pteridifolia*  
*Dryandra serra* \*

*Dryandra sessilis* ✓  
*Dryandra sp. (13/75)*  
*Grevillea brownii* \*? location  
*Grevillea fasciculata* \*  
*Grevillea pulchella*  
*Grevillea sarissa* \*

*Grevillea trifida*  
*Hakea amplexicaulis*  
*Hakea dolichostyla*\*  
*Hakea elliptica*  
*Hakea oleifolia* ✓  
*Hakea prostrata* ✓  
*Hakea ruscifolia*  
*Hakea salueolens*  
*Hakea trifurcata* ✓  
*Hakea ? varia*  
*Isopogon formosus*  
*Isopogon longifolius*  
*Lambertia uniflora*  
~~*Petrophile acicularis*~~ *Petrophile diversifolia* \* *not in museum 1/1/75*  
*Petrophile longifolia* \*

*Petrophile squamata*  
*Stirlingia latifolia*  
*Stirlingia tenuifolia*  
*Synaphea petiolaris*  
*Synaphea polymorpha*  
*Synaphea preissii*  
*Synaphea sp.*  
*Synaphea teretifolia*.

CASUARINACEAE

*Casuarina fraseriana*  
*Casuarina humilis*  
*Casuarina trichodon*  
*(Casuarina) canaliculata* ?

PROTEACEAE

*Adenanthes cuneata* ✓  
*Adenanthes obovata* ✓  
*Adenanthes sericea* ✓  
*Adenanthes venosa* \*

*Banksia attenuata*  
*Banksia coccinea*  
*Banksia grandis*  
*Banksia littoralis*  
*Banksia nutans* \* *Wonthaggi?*  
*Banksia occidentalis*  
*Banksia praemorsa*  
*Banksia quercifolia*

PHYTOLACCACEAE

*Didymotheca thesioides* \*  
*Gyrostemon sheathii* \*

AIZOCEAE

*Carpobrotus ? virescens*  
*Carpobrotus aequilateralis*

RANUNCULACEAE

*Clematis microphylla* \*

*Clematis pubescens*

LAURACEAE

*Cassytha glabella*

DROSERACEAE

*Drosera brevifolia* ✓  
*Drosera erythrorhiza*  
*Drosera huegelii* ✓  
*Drosera macrantha*  
*Drosera menziesii*  
*Drosera modesta*  
*Drosera pallida* ✓  
*Drosera pulchella*  
*Drosera stolonifera*  
*Drosera sulphurea*

PITTOSPORACEAE

*Billardiera variifolia* ✓  
*Marianthus laxiflora* ✓  
*Pronaya fraseri* \*  
*Sollya heterophylla* ✓

MIMOSACEAE

*Acacia biflora*  
*Acacia browniniana*  
*Acacia cochlearis*  
*Acacia cyclops*  
*Acacia decipiens*  
*Acacia drummondii* ✓  
*Acacia myrtifolia*  
*Acacia nigricans* \*?  
*Acacia nitidula*  
*Acacia pulchella*  
*Acaica salicina* \*

*Acacia sulcata* \*

FABACEAE

*Aotus ericoides*  
*Bossiaea dentata* ✓  
*Bossiaea linophylla*  
*Bossiaea sp.*  
*Burtonia asperula* ✓  
*Burtonia conferta* ✓  
*Burtonia scabra* ✓  
*Chorizema ilicifolium*  
*Chorizema reticulatum* ✓  
*Chorizema rhombeum*  
*Chorizema glycinifolium* ✓  
~~*Clianthus pubescens* • absent per~~  
*Davesia brevifolia*  
*Davesia colletioides*  
*Daviesia flexuosa*  
*Daviesia incrassata*  
*Eutaxia cuneata* \*  
*Eutaxia obovata*  
*Gastrolobium bilobum*  
*Gompholobium amplexicaule*  
*Gompholobium aristata*  
*Gompholobium knightianum*  
*Gompholobium polymorphum*  
*Gompholobium tomentosum*  
*Hardenbergia comptoniana*  
*Hovea elliptica*  
*Hovea chorizemafolia*  
*Isotropis cuneifolia*  
*Jacksonia furcellata* \*  
*Jacksonia horrida*  
*Jacksonia spinosa*  
*Kennedia coccinea*  
*Kennedia prostrata*  
*Lattrobea genistoides*  
*Lattrobea birbella*  
*Oxylobium coriaceum*  
*Oxylobium cuneatum* —  
*Oxylobium lineariformis*  
*Oxylobium ovatum*  
*Pultenaea reticulata*  
*Sphaerolobium alatum*  
*Sphaerolobium grandiflorum*  
*Sphaerolobium linophyllum* ✓  
*Sphaerolobium vimineum*

GERANIACEAE

*Pelargonium littorale*

RUTACEAE

Boronia crenulata  
Boronia crenata *same*  
Boronia denticulata  
Boronia gracilipes  
Boronia gracilipes (white)  
Boronia spathulata  
Boronia tetrandra  
Crowea angustifolia  
Phebalium anceps  
Phebalium argentium

DILLENIACEAE

Hibbertia cuneiformis  
Hibbertia cunninghamii  
Hibbertia enervia  
Hibbertia furfuracea  
Hibbertia microphylla  
Hibbertia pulchra  
Hibbertia racemosa  
Hibbertia verrucosa

TREMANDRACEAE

Tetrapheca setigera  
Tremandra stelligera  
Tremandra viminea ~ ? NL

THYMELAEACEAE

Pimelea ferruginea  
Pimelea longiflora  
Pimelea preissii  
Pimelea rosea  
Pimelea suaveolens

POLYGALACEAE

Comesperma calymega  
Comesperma confertum  
Comesperma nudiuscula  
Comesperma volubile

MYRTACEAE

Actinodium cunninghamii  
Agonis hypericifolia  
Agonis juniperina  
Agonis flexuosa  
Agonis linearifolia  
Agonis marginata  
Agonis parviceps  
Baekeae schollerifolia  
Beaufortia anisandra  
Beaufortia decussata  
Callistemon speciosus  
Calothamnus sanguineus  
Calytrix brachyphylla  
Cosmelia rubra  
Darwinia vestita  
Eremaea pauciflora  
Eucalyptus angulosa  
Eucalyptus calophylla  
Eucalyptus cornuta  
Eucalyptus falcata  
Eucalyptus marginata  
Eucalyptus megacarpa  
Hypocalymna strictum  
Hypocalymna cordifolium  
Kunzea ericifolia  
Kunzea recurva  
Leptospermum firmum  
Lhotzkya ericoides  
Leucopogon capitellatus

RHAMNACEAE

Spiridium globulosm  
Trymalium spathulatum

STERCULIACEAE

Thomasia discolor

MYRTACEAE (cont'd)

Leucopogon oppositifolius  
Leucopogon oxycedrus  
Leucopogon propinquus  
Melaleuca acerosa  
Melaleuca cuticularis  
Melaleuca densa  
Melaleuca diosmifolia  
Melaleuca nesophila  
Melaleuca scabra  
Melaleuca striata  
Melaleuca thymoides  
Melaleuca pentagona  
Styphelia melaleuroides ~~\*~~  
Thryptomene saxicola  
Verticordia plumosa

EPACRIDACEAE (cont'd)

Leucopogon parviflorus  
Leucopogon pendulus  
Leucopogon propinquus  
Leucopogon reflexus ✓  
Leucopogon revolutus ✓  
Leucopogon verticillatus ✓  
(verticulatus)  
Lysinema ciliatum  
Needhamielea purmilio  
Oligarrhena micrantha  
Sphenotoma capitatum  
Sphenotoma dracophylloides  
Sphenotoma gracile

APIACEAE (UMBELLIFERAE)

Platysace compressa  
Trachymene cyanopetala  
Trachymene pilosa —  
Xanthosia huegelii — \*  
Xanthosia pusilla — \*  
Xanthosia rotundifolia — \*

LOGANICEAE

Logania fasculata  
Logania serpyllifolia  
Logania vaginalis

GENTIANACEAE

Villarsia lasiosperma  
Villarsia parnassifolia

EPACRIDACEAE

Andersonia caerulea  
Andersonia simplex  
Andersonia sprengelioides  
Astroloma microdonta  
Astroloma pallidum  
Astrolatum ciliatum  
Leucopogon caninatus  
Leucopogon capitellatus ✓  
Leucopogon distans —  
Leucopogon elegans ✓  
Leucopogon flavescens —  
Leucopogon glabellus —

SOLANACEAE

Anthocercis littorea  
Anthocercis viscosa  
Solanum symonii

LENTIBULARIACEAE

Utricularia menziesii

RUBIACEAE

Opercularia hispidula

LOBELIACEAE

*Isotoma anceps*  
*Isotoma hypocrateriformis*  
*Isotoma scapigera*  
*Lobelia gibbosa*  
*Lobelia heterophylla*

GOODENIACEAE

*Centaurium spicatum*  
*Dampiera fascicularis*  
*Dampiera linearis*  
*Dampiera teres*  
*Lechenaultia tubiflora*, L. sp.  
*Scaevola globulifera*  
*Scaevola nitida*  
*Scaevola striata*  
*Velleia trinervis*.

STYLDIACEAE

*Levenhookia pauciflora*  
*Levenhookia pusilla*  
*Stylium adnatum*  
*Stylium amoenum*  
*Stylium imbricatum*  
*Stylium scandens*  
*Stylium schoenoides*  
*Stylium sconolers*  
*Stylium spathulatum*

ASTERACEAE (COMPOSITAE)

*Arctotheca populifolia*  
*Arctotheca populneoides*  
*Athrixia asteroides*  
*Brachycome iberidifolia* ✓  
*Brachycome pusilla*  
*Craspedia uniflora*  
*Helipterum battii*

ASTERACEAE (COMPOSITAE) cont'd

*Ixiolena viscosa*  
*Lagenophora huegelii*  
*Lagenophora stipitata*  
*Leptorhynchos elongatus*  
*Olearia ciliata*  
*Podospermum angustifolium*  
*Senecio elegans*  
*Senecio laetus*  
*Ursinia anthemoides*  
*Waitzia citrina*  
*Waitzia suaveolens*

CHENOPODIACEAE

*Rhagodia crassifolia*

DENNSTAETIACEAE

*Pteridium esculentum*

LAMIACEAE

*Microcorys barbata*

LORANTHACEAE

*Nuytsia floribunda*

OLACACEAE

*Olax phyllonthi*

POACEAE

*Spinifex hirsutus*

PRIMULACEAE

*Anagallis arvensis*  
*Anagallis foemina*

CEPHALOTACEAE

*Cephalotus follicularis*

BRASSICALEAE

*Cakile maritima*

STACKHOUSIACEAE

*Stackhousia huegelii*

TYPHACEAE

*Typha domingensis*

XANTHORRHOEACEAE

*Xanthorrhoea preissii*

HALORAGACEAE

*Glischrocaryon aureum*

LABIATAE

*Westringia dampieri*
