

DEPARTMENT OF CONSERVATION AND LAND MANAGEMENT

POLICY DIRECTORATE

ADMINISTRATIVE INSTRUCTION NO. 4 - JUNE 1985

File ref: 231/85

DBJ:sp

POLICY DIRECTORS - ACCESS TO DEPARTMENTAL STAFF

1. In order to facilitate the development of policies the Directors will have access to all Departmental Staff as necessary. However, the relevant Regional, District or Service Branch Managers will be advised of the contact as a matter of courtesy.
2. Action proposed from discussions will be initiated through the correct channel i.e. Executive Director to General Manager to Divisional Manager etc.
3. The Policy Directors may arrange a Task Force approach to develop policy or delve into difficult matters, drawing on operational and service branch staff. Appropriate discussion beforehand and continuous briefings of relevant Managers will be undertaken.
4. The Directors will oversee the implementation of proposals before passing responsibility to the Operations Group.

EXECUTIVE DIRECTOR

2.2 National Parks

2.2.1 Cape Range National Park

The management of the coastal parts of this Park are integrated with management of Ningaloo Marine Park described below.

Ranger-in-Charge of Cape Range is George Duxbury who is stationed at Exmouth, phone 099 491 428, address P.O. Box 55, Exmouth 6707.

2.2.2 Ningaloo Marine Park

Establishment, planning and initial development are headed by the Director of Nature Conservation, Dr Barry Wilson, and Planning Officer Richard May.

2.3 Proposed Parks and reserves

Proposals for reservation include the Kennedy Ranges and lands and waters in the Shark Bay area.

3. LIAISON WITH ADJACENT REGIONS

The Forest Officers from Karratha (Wally Edgecombe and David McMillan) periodically visit the Exmouth area to provide an advisory service dealing with native trees and shrubs, and to collect seed for Karratha Nursery.

It is possible that sandalwood operations may extend into the Western Gascoyne; maintain liaison with the Regional Manager, Goldfields in this matter.
