15	1	100.0	15	100.0

---

TOTALS                      662 shooters                      1674 ducks

---

- Thus
- i) 28.8% of shooters shot 0 ducks
  - ii) 74.7% of shooters shot 4 ducks or less;
  - iii) 88.9% of shooters shot 5 ducks or less;  
representing 67.9% of the total bag.
  - iv) The top 11.1% of shooters (i.e. those shooting  
more than 5 ducks) took 32.1% of the total bag.
  - v) The largest legal bag taken was one of 15 birds  
(5 Grey Teal and 10 Mountain Duck). This bagk  
was taken at Lake Eganu.
  - vi) The average bag size was 2.53 ducks per shooter.

Also: Of the 662 shooters who had their opening day bags checked, 546 (82.5%) had bags of 4 or less game birds other than Mountain Duck. That is to say 82.5% of shooters failed to reach the opening day bag limit of 5 game birds plus unlimited Mountain Duck.
