

## BACKGROUND PAPER

RECOMMENDED ADDITIONS AND DELETIONS TO THE SCHEDULE OF  
GAZETTED RARE FLORA

## 1. RECOMMENDED ADDITIONS

The following list of taxa have been searched for in recent years and less than a few thousand plants are known in Western Australia. All are endemic to south-western Australia except Corybas unguiculatus, which is common in south-eastern Australia, and Pandanus spiralis var. flammeus, which is known from only one population south of Broome in the Edgar Range. Two taxa, Eucalyptus chrysantha and E. kalganensis, are very rare presumed hybrids.

Conostylis villosa  
Conostylis wonganensis  
Corybas unguiculatus  
Eremophila ternifolia  
Eucalyptus chrysantha  
Eucalyptus crucis subsp. crucis.  
Eucalyptus kalganensis  
Hakea tamminensis  
Hemiandra gardneri  
Hemigenia viscida  
Melaleuca arenicola  
Microcorys eremophiloides  
Microtis pulchella  
Pandanus spiralis var. flammeus  
Rhagodia acicularis  
Wurmbea drummondii

## 2. RECOMMENDED DELETIONS

The following taxa have been searched for recently and are now known to occur in very large populations which are represented on national parks or nature reserves.

Adenanthos ellipticus  
Banksia brownii  
Conostylis pauciflora  
Eucalyptus aquilina  
Eucalyptus calcicola  
Eucalyptus desmondensis  
Hibbertia miniata

## 3. REVISED SCHEDULE OF RARE FLORA

If the above recommendations are accepted, the following 141 taxa will appear in the revised schedule of rare flora.

Acacia anomala  
Acacia aphylla  
Acacia argutifolia

Acacia depressa  
Acacia guinetii  
Acacia simulans  
Adenanthos cunninghamii  
Adenanthos detmoldii  
Adenanthos dobagii  
Adenanthos eyrei  
Adenanthos ileticos  
Adenanthos pungens  
Adenanthos velutinus  
Aponogeton hexatepalus  
Asplenium obtusatum  
Baeckea arbuscula  
Banksia chamaephyton  
Banksia cuneata  
Banksia goodii  
Banksia meisneri var. ascendens  
Banksia sphaerocarpa var. dolichostyla  
Banksia tricuspis  
Boronia tenuis  
Caladenia bryceana  
Caladenia gemmata forma lutea  
Caladenia lavandulacea  
Caladenia triangularis  
Casuarina fibrosa  
Conostylis misera  
Conostylis villosa  
Conostylis wonganensis  
Cooperhookea georgei  
Corybas unguiculatus  
Darwinia acerosa  
Darwinia carnea  
Darwinia collina  
Darwinia macrostegia  
Darwinia masonii  
Darwinia meeboldii  
Darwinia oxylepis  
Darwinia squarrosa  
Darwinia wittwerorum  
Daviesia euphorbioides  
Diuris purdei  
Dodonaea hackettiana  
Drosera occidentalis  
Drummondita ericoides  
Drummondita hassellii var. longifolia  
Eremophila denticulata  
Eremophila inflata  
Eremophila merrallii  
Eremophila microtheca  
Eremophila resinosa  
Eremophila serpens  
Eremophila ternifolia  
Eremophila virens  
Eremophila viscida  
Eucalyptus bennettiae  
Eucalyptus brachyphylla  
Eucalyptus burdettiana  
Eucalyptus caesia

Eucalyptus carnabyi  
Eucalyptus chrysantha  
Eucalyptus crucis subsp. crucis  
Eucalyptus coronata  
Eucalyptus exilis  
Eucalyptus insularis  
Eucalyptus johnsoniana  
Eucalyptus kalganensis  
Eucalyptus kruseana  
Eucalyptus pendens  
Eucalyptus rhodantha  
Eucalyptus steedmanii  
Franklandia triaristata  
Gastrolobium appressum  
Gastrolobium glaucum  
Grevillea baxteri  
Grevillea cirsiifolia  
Grevillea drummondii  
Grevillea dryandroides  
Grevillea inconspicua  
Grevillea infundibularis  
Grevillea involucrata  
Grevillea prostrata  
Grevillea ripicola  
Grevillea saccata  
Hakea aculeata  
Hakea megalosperma  
Hakea tamminensis  
Halosarcia bulbosa  
Halosarcia entrichoma  
Hemiandra gardneri  
Hemigenia viscida  
Hibbertia bracteosa  
Hydrocotyle lemnoides  
Kennedia beckxiana  
Kennedia glabrata  
Kennedia macrophylla  
Lambertia echinata  
Lambertia orbifolia  
Lambertia rariflora  
Lasiopetalum bracteatum  
Lechenaultia pulvinaris  
Lechenaultia superba  
Leucopogon obtectus  
Melaleuca arenicola  
Microcorys eremophiloides  
Microtis pulchella  
Myoporum salsoloides  
Pandanus spiralis var. flammeus  
Pityrodia augustensis  
Pomaderris bilocularis  
Pomaderris grandis  
Prasophyllum lanceolatum  
Prasophyllum triangulare  
Ptychosema pusillum  
Pultenaea skinneri  
Rhagodia acicularis  
Rhizanthella gardneri

Ricinocarpus trichophorus  
Roycea pycnophylloides  
Sowerbaea multicaulis  
Spirogardnera rubescens  
Stachystemon axillaris  
Stawellia dimorphantha  
Stylidium coroniforme  
Stylidium expeditionis  
Stylidium galioides  
Synaphea pinnata  
Tegicornia uniflora  
Thelymitra fuscolutea var. stellata  
Thelymitra macmillanii  
Thelymitra psammophila  
Urocarpus niveus  
Urocarpus phebalioides  
Verticordia helichrysantha  
Verticordia staminosa  
Villarsia calthifolia  
Wurmbea drummondii  
Wurmbea humilis  
Wurmbea tubulosa
