

Department of
Parks and Wildlife

This badge is awarded to Department of Parks and Wildlife volunteers who have contributed the significant achievement of 150 hours service in 2014-15.

We ask that you wear this badge proudly to spread word about the environment and conservation and how individuals can assist by volunteering.

This badge is part of a series depicting Western Australian flora and fauna species, with a strictly limited number commissioned annually.

The Western Australian woylie, or brush-tailed bettong (Bettongia penicilata ogilbyi) is critically endangered.in WA with populations scattered throughout jarrah forest in the south west.
