GOVERNMENT OF WESTERN AUSTRALIA

Department of **Biodiversity, Conservation and Attractions**

PARKS AND WILDLIFE SERVICE

We ask that you wear this badge proudly to spread the word about the environment, conservation and how individuals can assist by volunteering.

This badge is part of a series depicting Western Australian plants and animals, with a strictly limited number commissioned annually.

The badge features a green turtle (*Chelonia mydas*) hatchling, one of three marine turtle species that nest on mainland beaches and islands of the Ningaloo Reef during the summer months from November to March. A number of volunteer programs help to monitor these and other threatened species.

Thank you

This badge is awarded to Parks and Wildlife Service volunteers who have contributed the significant achievement of 150 hours service in 2016–17.
