

Burnt <1 year previously.

Aristida contorta (collected)

Bonamia media var. *villosa* (collected)

Brachyachne prostrata (collected)

Dysphania rhadinostachya subsp. *rhadinostachya* (collected)

Corchorus laniflorus (collected)

Eriachne pulchella subsp. *dominii* (collected)

~~*Goodenia ? tenuiloba*~~ - > *Goodenia microptera* (collected)

~~*Goodenia* sp.~~

Lepidium pholidogynum (collected)

Oldenlandia crouchiana (collected)

Polycarpaea holtzei (sighting record only)

Polygala linariifolia (sighting record only)

Portulaca oleracea (collected)

Ptilotus aervoides (collected)

Ptilotus astrolasius (collected)

Ptilotus auriculifolius (collected)

Ptilotus calostachyus (collected)

Ptilotus clementii (collected)

Ptilotus exaltatus (sighting record only)

Ptilotus fusiformis (collected)

Ptilotus incanus (collected)

Sclerolaena densiflora (collected)

Sclerolaena eriacantha (collected)

Senna notabilis (sighting record only)

Sida echinocarpa (collected)

Sporobolus australasicus (sighting record only)

Tephrosia clementii (collected, common post-fire plant)

Triodia basedowii (collected)

Triodia basedowii/lanigera (collected)

Triodia wiseana (collected)

adjWYW01 (in a creekline c. 50m north of plot)

Heliotropium heteranthum (collected)

Goodenia stobbsiana (collected)

Indigofera monophylla (collected)

Stackhousia muricata (collected)

Survey marker plinth not found. Burnt c. 1 – 1.5 years ago

Acacia bivenosa (sighting record only)

Acacia inaequilatera (sighting record only)

Abutilon lepidum (collected)

~~Bonamia sp. (hairy)~~ *Bonamia media* var. *villosa* (collected)

Brachyachne prostrata (sighting record only)

Bulbostylis barbata (collected)

Cheilanthes contigua (collected)

Corchorus laniflorus (collected)

Cymbopogon ambiguus (collected)

Dysphania rhadinostachya subsp. *rhadinostachya* (collected)

Enneapogon caerulescens (collected)

Eremophila cuneifolia (collected)

Eriachne pulchella (sighting record only)

Eriachne aristidea (collected)

Euphorbia boophthona (sighting record only)

Fimbristylis dichotoma (sighting record only)

Gomphrena cunninghamii (sighting record only, photographed)

~~Goodenia sp. Sterile – probably same sp as in WYW01~~ *Goodenia* c.f. *microptera* (sighting record only)

Gossypium australe (collected)

Grey-leaves woody shrub, small, semi-succulent leaves – collected but not able to be identified

Hibiscus coatesii (collected)

Indigofera monophylla (collected)

Maireana planifolia (collected)

Malvastrum americanum (sighting record only)

Mollugo molluginea (collected)

Nicotiana benthamiana (collected)
Oldenlandia couchiana
Paspalidium clementii (collected)
Polycarpaea holtzei (collected)
~~Polygala insignis~~ Polygala linariifolia (collected)
Portulaca oleracea (collected)
Ptilotus auriculifolius (collected)
Ptilotus incanus (collected)
Sclerolaena densiflora (sighting record only)
Senna glutinosa subsp. glutinosa
Senna glutinosa subsp. pruinosa
Stemodia grossa (collected)
Tribulus hirsutus
Triodia wiseana (collected)
Triumfetta chaetocarpa (collected)

adjWYW02

Ptilotus calycostachys

Not burnt

~~Abutilon ?uncinatum~~ Abutilon fraseri (collected)

Abutilon sp. (supp table id number -146)

Acacia synchronicia (collected)

Acacia xiphophylla (sighting record only, photographed)

~~Acacia sp.~~ Acacia wanyu (collected)

Amaranthus cuspidifolius (collected)

Aristida contorta (sighting record only)

Boerhavia coccinea (collected)

Brachyachne prostrata (sighting record only)

Cheilanthes sieberi subsp. sieberi (collected, photographed)

Enneapogon caerulescens (sighting record only)

Eremophila cuneifolia (collected)

Eriachne pulchella (sighting record only)

Heliotropium heteranthum (collected)

Lepidium platypetalum (collected)

Maireana planifolia (collected, photographed)

Paspalidium clementii (collected)

Portulaca oleracea (collected)

Ptilotus aevroides (sighting record only)

Ptilotus auriculifolius (sighting record only)

Sclerolaena eriacantha (sighting record only)

Sclerolaena densiflora (collected)

Senna glutinosa subsp. x luerssenii (collected)

Senna glutinosa subsp glutinosa (sighting record only)

Senna notabilis (collected)

Sporobolus australasicus (collected)

Tribulus astrocarpus (collected)

Tragus australianus (collected)

Triodia basedowii/lanigera (collected)

~~Triodia – flat-leaved form with sticky base~~ *Triodia epactia/pungens* (collected)

~~Triodia epactia~~ *Triodia epactia/pungens* (collected)

Triodia wiseana (collected)

adjWYW03

Solanum lasiophyllum (collected)

Cheilanthes sieberi subsp. *sieberi* (collected)

Triumfetta clementii (collected)

Acacia ancistrocarpa (collected)

Sida rohlenae subsp. *rohlenae* (collected)

WYW04

21/6/2011

Burnt c. 1 year previously

Acacia stellaticeps (collected)

Adriana tomentosa (sighting record only)

Bonamia rosea (sighting record only in plot, photographed, collected material adjacent to plot)

Eragrostis eriopoda (sighting record only)

Euphorbia myrtoides (collected)

Grevillea stenobotrya (sighting record only)

Hibiscus brachychlaenus (collected, photographed)

Indigofera bovipерda subsp. *bovipерda* (collected)

Pityrodia loxocarpa (collected)

Ptilotus arthrolasius (collected in plot, photographed adjacent to plot)

Ptilotus latifolius (collected)

Scaevola sericophylla (collected)

Senna notabilis (sighting record only)

Solanum lasiophyllum (sighting record only, photographed)

Tephrosia rosea var. *clementii* (R. Butcher suggested this is closest variety, collected, photographed)

Tephrosia sp. Onslow (K.R. Newbey 10571) (collected)

Trianthema pilosa (collected, photographed in and adjacent to plot)

Tribulus occidentalis (collected, photographed)

Triodia schinzii (collected)

AdjWYW04

Scaevola parvifolia subsp. *pilbara* (collected)

Burnt c. 1 – 1.5 years ago. All the Acacia have been burnt

Abutilon lepidum (collected)

Acacia bivenosa (sighting record only)

Acacia pruinocarpa (sighting record only, photographed)

Amaranthus cuspidifolius (collected)

~~*Polygala sp.*~~ *Bonamia media* var. *villosa* (collected)

~~*Cyperus/Bulboschoenus*~~ *Bulbostylis barbata* (collected)

Cheilanthes contingua (sighting record only, photographed)

Cleome viscosa (collected)

Corchorus laniflorus (collected, photographed)

Cucumis maderaspatensis (sighting record only)

Cymbopogon ambiguus (collected)

~~*Cyperus sp.*~~ *Cyperus cunninghamii* subsp. *cunninghamii* (collected, photographed)

Dysphania rhadinostachya subsp. *rhadinostachya* (collected)

~~*Eriachne eriopoda*~~ *Eriachne mucronata* (sighting record only, photographed)

Eriachne pulchella

Euphorbia australis var. *australis* (collected)

Euphorbia boophthona (collected)

Evolvulus alsinoides var. *villosicalyx* (collected)

Gomphrena cunninghamii (collected)

~~*Goodenia sp. Yellow flowers*~~ *Goodenia microptera* (collected, photographed)

Gossypium australe (collected)

Grevillea wickhamii subsp. *macrodonta* (collected, photographed)

Hibiscus coatesii (not on notes)

Hibiscus goldsworthii (collected, photographed)

Hybanthus aurantiacus (collected)

Indigofera monophylla (collected, photographed)

Lepidium sp (sighting record only)

Mollugo molluginea (collected)

Nicotiana benthamiana (collected, photographed)

Oldenlandia crouchiana (collected, photographed)

~~Peranthera~~ sp. Phyllanthus erwinii (collected)

Pterocaulon sp. indet (collected)

~~Ptilotus ? aervooides~~ Ptilotus axillaris (collected, photographed)

Ptilotus auriculifolius (photographed)

Ptilotus calostachyus

Ptilotus exaltatus

Ptilotus fusiformis (sighting record only, photographed)

Ptilotus obovatus (collected)

Rhynchosia minima (collected, photographed)

Senna artemisioides subsp. oligophylla (sighting record only)

Senna glutinosa subsp. glutinosa (sighting record only)

Senna glutinosa subsp. pruinosa (sighting record only)

Senna glutinosa subsp. X luerssenii (sighting record only)

Senna notabilis (collected, photographed)

Senna pruinocarpa X luerssenii (putative hybrid)

Sida echinocarpa (collected, not in notes)

Sida rohlenae subsp. rohlenae (collected, photographed)

Solanum diversiflorum (collected)

Solanum lasiophyllum (sighting record only)

Stemodia grossa (collected, photographed)

~~Tephrosia aff. supina~~ Tephrosia supina (collected)

Trachymene oleracea subsp. oleracea (collected, photographed)

Tribulus hirsutus (collected, photographed)

Tribulus macrocarpus (collected)

Triodia epactia (sighting record only)

Triodia wiseana (collected)

Triumfetta maconochieana (collected)

Triumfetta johnstonii (collected)

AdjWYW05

Cleome uncifera subsp. *uncifera* (collected)

Sida rohlenae subsp. *rohlenae* (collected)

Triumfetta ramosa (collected)

Unburnt since last rescore

Acacia ancistrocarpa (sighting record only, photographed)

Acacia bivenosa (sighting record only, photographed)

Acacia pyrifolia (sighting record only)

Brachyachne prostrata (collected)

Cullen c.f. *leucochaites* (collected, sterile material)

Dysphania rhadinostachya subsp. *rhadinostachya* (collected)

Eriachne pulchella (sighting record only)

~~*Euphorbia australis* — hairy~~ *Euphorbia australis* var "caterpillar" (collected)

Hakea lorea (sighting record only , photographed)

Ptilotus exaltatus (sighting record only)

Senna notabilis (sighting record only)

Ptilotus ? *aeroides* (sterile seedling)

Trianthema triquetra (collected)

Triodia wiseana (collected)

Triodia basedowii (collected)

WYW07 **22/6/2011**

Unburnt since last rescore

Acacia ancistrocarpa (sighting record only)

Aristida contorta (sighting record only)

Aristida holathera var. *holathera* (collected)

Bonamia alatisemina (collected and photographed)

Brachyachne prostrata (collected)

Cullen sp ? sterile *leucochaites* (sighting record only)

~~*Dichelachne* sp?~~ *Aristida holathera* var. *holathera* (collected)

Eremophila longifolia (collected)

Eriachne pulchella (sighting record only)

Euphorbia australis var "caterpillar" (sighting record only)

Euphorbia boophthona (collected)

Euphorbia tannensis subsp. *eremophila* (collected)

Gomphrena cunninghamii (sighting record only)

Gomphrena affinis subsp. *pilbarensis* (collected)

Paspalidium clementii (collected)

Portulaca oleracea (collected)

~~*Ptilotus* sp. sterile prostrate~~ *Ptilotus appendiculatus* var. *appendiculatus* (collected)

Senna notabilis (sighting record only)
