(10)

Marginal brook

7/4/51

Halophytes in Saline lakes

Hydrophyte water

Halophyte Salt

Macro large

} Synonymous.

littoral zone.

Mooring.

permanent saline. to temporary saline
lake area.

some homogeneity applies to
Quart lakes

Halophytic fauna crustaceans
dependent on salinity

very to salt tolerant
forms of fauna.

various algae. bright pink
to blue green

(11)

(12)

adaptive response of pink
colorations.

Casarese. - salt plant.

Leptocarpus
Ruppia ~~*leptocarpus*~~ submerged
saline understory power
mixed stands - shallow or
deep water

Algae -

distinct cut off for
Ruppia + *Chora*. (Question)

(13)

Ruppia } permanent ephemeral
R. }
Romph. } & salt marsh pools

tolerate fluctuation of

2. Major growth forms

Annual *Ruppia* short life
grows flower set seed in 4 weeks

4 cm - 210 cm depth ephemeral
usually saline tolerances over
4 - 230 ppt salt.

Perennial 2 m in length in up to 3-8 m
larger growth period

Habitat permanent ex. & stand
3-50 ppt desiccation

(14)

Annual - shallow
 Perennial deep.

Per. vegetative growth seeds
 not prolific

Am. more extensive & regular
 reproduction patterns -
 65 of seeds & turions &
 without dessication

Annual comprised 2 species

Perennial 1 species

~~nutrients~~

(15)

R. Medocarpa perennial
 robust.

R. polycarpa Annual
 delicate - WA.

R. Tuberosa. (Chauk Bay WA)
 widespread but not common
 in WA. Ratto. to reference.

Annual is dependent on
 drying out.

Perennial dependent on not
 drying out

(16)

P. germinated +ve to decrease in
relativity

A. germinated + to wetting & drying
& increase in rel.

Reproductive

seed

Turkey

Rhizomes

(17)

Rhizomes

Barrenial -

No fruit stalk

Barrenial - no turions -
check fungus galls

Turion formation could be
response to epimorbidity.

18

Fluids - hypertonic in
surrounding water.
cellular fluid of nupha is
always higher than
water.

Proline levels increase with
salinity
Mixing
Osmoregulatory conditions

The duck had moved 'place'
its nest was what after
the one hit here bloody thing.
They got to beat the bl. row
to meet the bloody trail

The bl. stick was bl. stick
in bloody filling and
the bl. wings under
and to under but not
they & bloody crowd.
