large bowl of porridge. Finding any grass at all was an achievement for a novice R10 trainee. Nevertheless I deflected the doghouse resident after several minutes of tactful instruction. After looking my first question was directed at the state of my car & its potential for joining.

With the forced arrogance of a man born to lead I asked one who can handle anything he ~~now~~ handled.

Well I just gathered her all in & herded him or down the hill ~~into~~ to the stables.
