0500 D'East Set up Phone

0600 to -10 Black Mages, Shaven

0735 walked 2.5 km to fish

site but tide beat up

0830 at vehicle

This site has a dense popn  
of polychaete tubes in crushed  
blocks. This is uncommon  
here so far.

They have been washed out  
at Wadden Sea, by dragging  
& fishing.

There are no readily apparent  
economic fishes here but  
there may be

flounder, demersal  
fish  
collection

sun

(29)
