Be a Nature Conservation Officer for a weekend

Escape...Experience...Encounter Dryandra and the new Barna Mia Animal Sanctuary!
Receive resources that contribute to Curriculum Framework outcomes

Attention!

Secondary teachers – Society & Environment and Science
Primary teachers – all Learning Areas

You are invited to an unforgettable PD weekend. Take part in the Department of Conservation and Land Management's threatened species monitoring program, Western Shield, and experience the methods used to bring wildlife back from the brink of extinction.

What's involved?

- Free Action Pack, video and other resources for use in school.
- Discover opportunities for student excursions.
- Hands-on experience of research methods; mix bait, set and check traps next day.
- A nocturnal, guided walk through Barna Mia - a new tranquil sanctuary for threatened native marsupials. See bilbies, burrowing bettongs, rufous hare-wallabies and western barred bandicoots.
- Encounter session with seldom seen Australian native animals.
- Find out how CALM's project Return to Dryandra aims to reintroduce native animals to former habitats and how you and your students can help save threatened species.

When: 19 to 20 March 2005

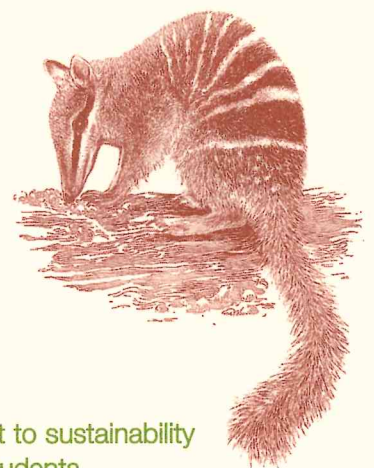

Time: 3.30pm Saturday to 12.30pm Sunday

Cost: \$55 (\$44 special offer STAWA members)

Price GST includes accommodation, meals, resources

Where: Dryandra Woodland near Narrogin

Who: Upper Primary and Secondary teachers who have a commitment to sustainability principles and encouraging a nature conservation ethic in their students
