This PDF has been created for digital preservation. It may be used for research but is not suitable for other purposes. It may be superseded by a more current version or just be out-of-date and have no relevance to current situations.

## Be a Nature Conservation Officer for a night!

# The Hills Forest Discovery Centre, Mundaring

The Hills Forest  
Discovery Centre  
Nature's base

**Attention!** - Secondary teachers – Society & Environment and Science  
Primary teachers – all Learning Areas

### You are invited for a PD night to remember!

Take part in the Department of Conservation and Land Management's threatened species monitoring program and experience the methods used to bring wildlife back from the brink of extinction.

### What's involved?

- Receive an Action Pack, video and other curriculum linked resources.
- Discover opportunities for student camps.
- Take part in hands-on experience of research methods; set and check traps, measure and release animals.
- Meet and question scientists working on threatened species.
- Take part in close encounters with seldom seen Australian native animals: bilby, black gloved wallaby, woylie, echidna, Stimson's python and others being cared for at Kanyana Wildlife Rehabilitation Centre.
- Take a night walk with a guide, spotlight on our Sense-ational trail.

**When:** 20 May to 21 May 2005

**Time:** 5pm Friday to 12.30pm Saturday

**Cost:** \$55 (inc GST) per teacher (Includes accommodation, meals, resources)

**Where:** The Hills Forest Discovery Centre, Mundaring

**Who:** Primary and Secondary teachers who have a commitment to encouraging a nature conservation ethic in their students

### Curriculum links

# Be a Nature Conservation Officer for a weekend

## Shark Bay World Heritage Area

**Secondary teachers – Science, Society & Environment**  
**Primary teachers – all learning areas**

**You are invited for a PD weekend to remember!**

Take part in the Department of Conservation and Land Management's threatened species conservation program (Project Eden) and experience the methods used to bring wildlife back from the brink of extinction.

### What's involved?

- Receive an Action Pack, video and other curriculum linked resources for school.
- Find out about student camps opportunities.
- Hands-on experience of scientific methods, set and check traps.
- Question research scientists, field staff and managers of threatened species conservation and national park management.
- Encounter reptiles, hear from Ranger in Charge, Francois Peron NP.
- Visit Monkey Mia, home of Monkey Mia dolphins; tune into dolphin research.
- Relax in artesian-fed waters of Peron's historic homestead.
- Close encounters with seldom seen Australian native animals.

**When:** 13 and 14 August 2005

**Time:** Saturday am to Sunday pm. Optional stay until Monday morning and see Monkey Mia dolphin feeding

**Cost:** \$55 (inc GST) per teacher (Includes accommodation, meals, resources), STAWA members \$44 (inc GST)

**Where:** Peron Peninsula, Shark Bay

**Who:** Primary and Secondary teachers who have a commitment to encouraging a nature conservation ethic in their students

**Travel:** Teachers make own arrangements to and from the Peron Homestead
