W.A. Heritage Trails Network

A Bicentennial Project for Community Participation

The **King Jarrah Heritage Trail** is part of the Heritage Trails Network, a project for community participation devised by the Western Australian Heritage Committee. To commemorate the 1988 Bicentenary, the project established a statewide network of 'Heritage Trails' - routes designed to enhance awareness and enjoyment of Western Australia's natural and cultural heritage.

The Heritage Trails Network was jointly funded by the Commonwealth/State Bicentennial Commemorative Program.
