We want to hear from you now if you have any information or comments on any aspects of the Dryandra Forest, including:

- ✦ the values of the Forest
- ✦ issues of concern to you (plus suggested solutions if possible)
- ✦ new directions for management to take
- ✦ purpose and vesting of the area
- ✦ conservation of flora and fauna
- ✦ Aboriginal cultural interests
- ✦ mallet plantation management
- ✦ recreation activities
- ✦ Dryandra Village
- ✦ educational opportunities
- ✦ fire management

WHY DO WE NEED THIS INFORMATION?

Once all the information has been collected, it will be carefully considered in the preparation of a management plan. The plan will help to ensure that the natural environment and cultural values of Dryandra are protected while also providing opportunities for appropriate uses of the area.
