# Professional Development 2002 Wellington Discovery Forest

*An invitation to join in our EcoEducation programs that address the core value of Environmental Responsibility of the Curriculum Framework*

## Dear Teacher

After a highly successful first year with participants from every learning level in our programs during 2001, we are planning another year of great opportunities for teachers and students. Wellington Discovery Forest PD days are a good way for teachers to familiarise themselves with a range of educational resources and opportunities. They will help you and your students make the most of your visit to the forest.

## The PD day provides:

- Resources for you to use at school and how they link with the Curriculum Framework
- Free Action Pack about threatened species
- Free resource package about the jarrah forest
- An overview and experience of excursion activities
- A review of the Department's educational packages and resources
- A chance to find out about threatened species and our Western Shield Schools Program
- Lunch
