## WHAT'S IT ALL ABOUT?

The Hills Forest is a project initiated by the Department of Conservation and Land Management (CALM). It offers visitors a range of outdoor recreation experiences to raise their awareness and appreciation of the values and management of our forests. But above all, it's about having fun!

## GENERAL INFORMATION

Don't forget to bring:

- ◆ hat
- ◆ water
- ◆ sun screen
- ◆ casual clothing
- ◆ sturdy footwear
- ◆ camera
- ◆ a smile!
- ◆ fly/mosquito repellent

Safety is always our concern, but it is your responsibility.

**All activities will begin on time, so please arrive early to avoid disappointment!**

On any half-day activity, please feel free to bring along a picnic lunch and drinks to enjoy your natural surroundings longer.

Most recreational sites in The Hills Forest do not have bins so that recreational budgets can be spent on facilities and activities rather than rubbish collection. Please bring a rubbish bag to take your litter away with you when you leave.

Activities that include entry into national parks are for participants only. If you wish to use the park facilities before or after the activity, or bring the family, you will need to pay entry fees to the national park.

All fees collected stay with the programs and pay for the leaders, equipment, advertising, or props—so your money is helping you and others to enjoy and learn more about our natural environment.

**DO NOT ENDANGER THE NATIVE ANIMALS**—Please leave your pets at home.

## FOREST FUN CLUB

Many participants in our programs have requested further information and activities, so our new way of communicating with you and offering additional services, including early booking opportunities, is via the Forest Fun Club.

For only \$10 a year, your whole family will receive:

- ◆ a current brochure outlining our activities by mail
- ◆ advance notice of forthcoming activities
- ◆ early bird bookings
- ◆ seasonal information on what is happening in the forest—what flora and fauna to expect at different times of the year
- ◆ advance notice of competitions
- ◆ lucky draw prizes exclusive to Forest Fun Club members
- ◆ exclusive overnight nature experiences
