LANDSCOPE

W.A.'S CONSERVATION, FORESTS AND WILDLIFE MAGAZINE

We'd like you to subscribe to LANDSCOPE magazine again.

Our records show that your LANDSCOPE subscription has expired. Perhaps you just haven't had time to renew it yet, or maybe you've changed address. Whatever the reason we'd really like you to become a regular subscriber again. To tempt you back, we'll send you a copy of the current LANDSCOPE (Winter 2000) issue in addition to the four you'll receive through your normal 12 month subscription. *All five for only \$27 including postage!*

Your bonus Winter edition really is a spectacular issue.

We explore the magnificent butterflies of Rottneest Island; reveal there's more to Granite Islands than just rock; cruise the dazzling northern Wandjina Coast, in addition to the regular features. Fill in the form then enclose it with your payment or direct debit details in the FREEPOST envelope provided. You don't want to miss any more issues than necessary, so why not do it now and enjoy your bonus issue with our compliments.

Thank you for re-subscribing to LANDSCOPE.
