# QUESTIONNAIRE

Dear Western Wildlife reader,

'Western Wildlife' has now been running for three years. It is important to us that the newsletter contains information that not only is factual and current, but also meets your requirements and needs.

Could you please take the time to complete and return this questionnaire? When you have finished, just fold it so that the 'reply paid' section is visible, tape it together and pop it in the post. If we receive your response by 7<sup>th</sup> Feb., you will go in the draw to receive one of five Landscape calendars.

We plan to analyse the responses and use the results to give us clear direction on what we can do to provide the best possible service to you, our readers. The results of the survey will be published in the April issue of 'Western Wildlife', as will the names of the competition winners.

Thank you.
