Spot the western grey kangaroo

Yanchep National Park is home to western grey kangaroos, which can be seen in abundance early and late in the day. At other times they shelter from the sun so you might be lucky enough to see them resting in shady areas.

Open daily from 8am till late, the historic Yanchep Inn offers breakfast, lunch, dinner, drinks and accommodation. Function facilities are also available.

Yanchep Inn (D5)

All barbecues in the park are free. Please follow the instructions carefully and remember to reignite as required. You will see many birds while you are picnicking in the park but please don't feed them.

Picnic spots galore

The park is home to a diverse range of flora including paperbark, banksia, tuart, jarrah and sheoak. From August to October, the park comes to life with a stunning array of colourful wildflowers such as kangaroo paw, Yanchep rose, wattles and native orchids.

Flora

Book your special occasion at Perth's only purpose-modified function cave for hire. This natural cave is visually amazing, acoustically sensational and naturally air-conditioned.

Walk trails

The park has nine walk trails ranging from 500m to 52km. Each trail has been selected to showcase the unique biodiversity of the northern Swan Coastal Plain. Information about extended walk trails is available on a separate brochure, *Yanchep National Park - Extended walks*. Pick up a copy at McNess House Visitor Centre or online at parks.dpaw.wa.gov.au/yanchep.

Trail grading

Parks and Wildlife walking trails are classified within a range from 1 to 6, where Class 1 trails provide opportunities for visitors with no previous experience, and Class 6 trails provide opportunities for fit, well-equipped and highly experienced walkers. Ensure you check any individual trailhead signs at the start of trails for specific information.

1 DWERTA MIA WALK TRAIL

Discover the Dwerta Mia - 'house of the wild dog'. History states that Aboriginal guides leading early explorers into this area chose not to enter because they thought it was inhabited by evil spirits. Meander through the old cave system at Boomerang Gorge. This trail features interpretive signage providing visitors with a better understanding of how the limestone environment has formed over hundreds of thousands of years and also looks at how the park's caves and their formations have been shaped through the ages by the flow of water.

Time: 45min return **Grade:** Class 1-2
Length: 2.1km **Start/finish:** McNess House Visitor Centre

2 WETLANDS WALK TRAIL

Follow this popular trail that weaves its way around Loch McNess, one of Perth's most important coastal wetlands. Take in the natural sights and sounds that surround you and see the yanget (bullrush) used by local Noongar people for food.

Time: 50min return **Grade:** Class 2
Length: 2.7km **Start/finish:** McNess House Visitor Centre

3 WOODLANDS WALK TRAIL

Despite the sandy soils, these coastal woodlands support a diverse range of trees including banksia, tuart, marri, stunted jarrah, sheoak and small pockets of paperbark. During spring, kangaroo paws and catspaws are in flower.

Time: 1hr return **Grade:** Class 2
Length: 2.6km **Start/finish:** McNess House Visitor Centre

4 CAVES WALK TRAIL

This trail takes you past Crystal Cave where you can discover how limestone caves are formed and hear about their colourful history on a guided tour. Tours can be booked at the McNess House Visitor Centre before you leave.

Time: 2hr return **Grade:** Class 3
Length: 4.5km return **Start/finish:** McNess House Visitor Centre

5 GHOST HOUSE WALK TRAIL

This trail takes you on a journey through time into the park's wilderness areas. Along the way you will encounter the sights and sounds of the wetlands and discover the historic remains of the 'Ghost House'. Take your swag and spend a night under the stars at Shapcott's camp site nestled under a grove of grand old tuarts.

Time: 5hr return **Grade:** Class 3
Length: 12.4km return **Start/finish:** McNess House Visitor Centre
