Camping fees

Camping fees must be paid for each person for every night they stay. Entrance fees must also be paid, in parks where they apply, but only for the day of arrival. Holders of park passes need only pay for camping.

For example, two adults camping at Cape Le Grand National Park for four nights will pay:

2 adults x 4 nights x \$11 per adult per night + \$13 entry fee = \$101.

For information on campgrounds and to book campsites online visit parkstay.dbca.wa.gov.au.
