### Pick a trail

- Feeling adventurous? Find the best trails at [TrailsWA](http://TrailsWA).

### Take a tour

- See the best bits, save time and relax. Let an expert take care of the details. Find a tour on [Destination Perth](http://DestinationPerth).

### Work with the weather

- Be prepared for plenty of sunshine and warm to hot temperatures. Plan most of your outdoor activity for mornings to make the most of cooler conditions and lighter winds, especially in the hills, on the water or at the beach.
- Pack plenty of drinking water, apply sunscreen and always wear a hat.
