Park fees and passes

Department of Biodiversity,
Conservation and Attractions

There's no better way to discover the beauty and diversity of Western Australia than to explore its world-class parks.

Fees apply for entry, camping and special attractions in some of these parks. They assist in conservation and park management including the improvement of visitor services and facilities.

Park passes can be bought online, are great value for money and offer a convenient alternative to paying entry fees.

Enjoy your park visits knowing that you have made a valuable contribution to the management of these special areas.
