## Group Activities – Australiana Experience

This whole day activity is designed to provide visitors to Western Australia with a ‘true blue’ Australiana experience they won’t forget!

Perth has some amazing natural places and our guides can provide a range of fun activities that will enhance your group’s experience. Visitors will meet, touch and hold cute and cuddly (and some not so cute and cuddly) native Australian animals, learn about Indigenous Australians and then dance the day away with our awesome Aussie bush band. A traditional Aussie lunch of damper and a sausage sizzle is also included in this Australiana experience!

Some of our activities are limited to 23 people, but if your group is bigger, don’t worry, we can accommodate that.

This itinerary can be changed to suit your needs, so if you would like to skip or add an activity, are looking for a shorter or longer experience, or even a night time experience, please let us know.
