# NO NETWORK. NO WORRIES.

**Smartreka** maps make it easier to navigate your way around your national parks.

The maps use the built-in GPS on your smartphone or tablet to plot your real-time location onto the **Smartreka** map. This can be done without a network connection and without roaming charges. Maps must be downloaded using the free **Avenza Map app** prior to visiting a national park.

Some of the **Smartreka** maps available for download:

1. Cape Le Grand National Park
2. Cape Range National Park
3. Fitzgerald River National Park
4. Francois Peron National Park
5. Kalbarri National Park
6. Karijini National Park
7. Millstream Chichester National Park
